SNOWMOBILERS - BEWARE

At Lake County's Second Annual Chamber of Commerce President's Evening at the Antioch Country Club were: (l to r) Waukegan Mayor Robert Sabonjian, Mayor of Antioch, Ray Toft, Stephen Slein, Guest Speaker, Kent Parcell, Special Guest Speaker and Hilliard Tobieski, president of the Antioch Chamber of Commerce. (Staff Photo) See Story on Page 18

As the temperature and the snow has fallen the snowmobilers have once again arisen in greater quantities than ever before. Snowmobiling has become an ever growing pastime of scores of snow-lovers of all ages.

However, as the snowmobiles popularity has grown so has the regulations regarding its proper operation. Snowmobiles are regulated under the Illinois Motor Vehicle Laws and there are many things that the snowmobiler should note and observe.

To begin with an identification number should be displayed on the vehicle. It should also be equipped with the minimum of one white head light, that is visible from 500 feet ahead under normal conditions. There should be at least one red tail light, that is visible from 500 feet in normal conditions. The vehicle should be equipped with adequate sound suppression devices.

Snowmobiles are not permitted to be driven on streets, however they are allowed to cross streets in the proper designated fashion. Snowmobiles should only be driven on private property, and should be driven no closer than within one mile of railroad tracks, nurseries or nature preserves.

It should also be noted that it is unlawful for any person without a motor vehicle drivers license to operate a snowmobile in the State of Illinois.

The responsibilities of a snowmobile operator are explained in chapter 605-1 A-J inclusive of the motor vehicle code. In fact all of Section 605 is devoted to the absolute use of snowmobiles. All operators are invited to read and discuss these regulations at the Police Department.

SANTINO SUIT UNDER DISCUSSION

On Monday night, in an unusually crowded room, the Village Board pulled several things together and discussed many topics, although the meeting was exceptionally short, adjourning at 9:30 p.m.

Thomas Santino's Suit against the County Board headed the agenda. Santino had requested the Lake County Board to grant him a permit for a Planned Unit Development ordinance and zoning. The Lake county Board rejected Santino's request for the planned unit development in this area. In turn Santino has filed suit against the County Board.

The Village board's concern in the matter, was based on the fact, that since Santino's PUD will be located within a mile and a half of the Village they will have the right to intervene in the suit. Previously, the Village Board had protested the building of such a development.

Just what action the Board will take on the issue was not decided upon at Monday night's meeting, rather a committee will investigate the matter and will report back at the next regularly scheduled meeting.

However, Monday's meeting did bring forth a decision on leaf burning. A motion was made and seconded that the Village Attorney be authorized to draw

up an ordinance on leaf burning for the Village, modeled after the State ordinance on leaf burning.

Payment for a bill of \$15,160 for aerial mapping was authorized and bids for the new generator were moved to be taken at the next meeting.

The report on the possibility of having a second precinct for the up-coming Village elections in April has not been completed as yet, but it is thought that the needed information will be supplied at the next meeting and a decision can be reached at that time. This matter has to be decided upon as soon as possible so that election materials may be ordered.

WHERE WILL THE MONEY GO?

The High School Referendum is only 10 days away and many people have begun to think about it seriously. One of the most prominent questions that will arise in the minds of many is, "Where will the money go?" And for those who prefer to get more specific - the

question will be: "What is the school board going to do with the 40 cent increase?"

The referendum is asking for, a 40 cent increase per every \$100 property evaluation. This increase will mean an additional \$300,000 per year for the school system. If this

seems like a lot of money, it should be noted that the school debt as of November 20, 1972 was \$375,000. And it is projected the school debt by June 30th of 1973 will be \$460,000. It should also be noted that the limit to deficit spending is \$503,000 and that each year on the present program and tax rate, deficit spending totals \$80,000 plus \$460,000 at 4 1/2 percent interest rate, at a cost per year of \$23,000.

The money will be used to cover payment on the debt; partly to cover a balanced budget, partly for reinstating program cuts (the cut programs amount to over \$200,000), and partly for adding teachers to meet increased enrollment, which will be 75 or more next year.

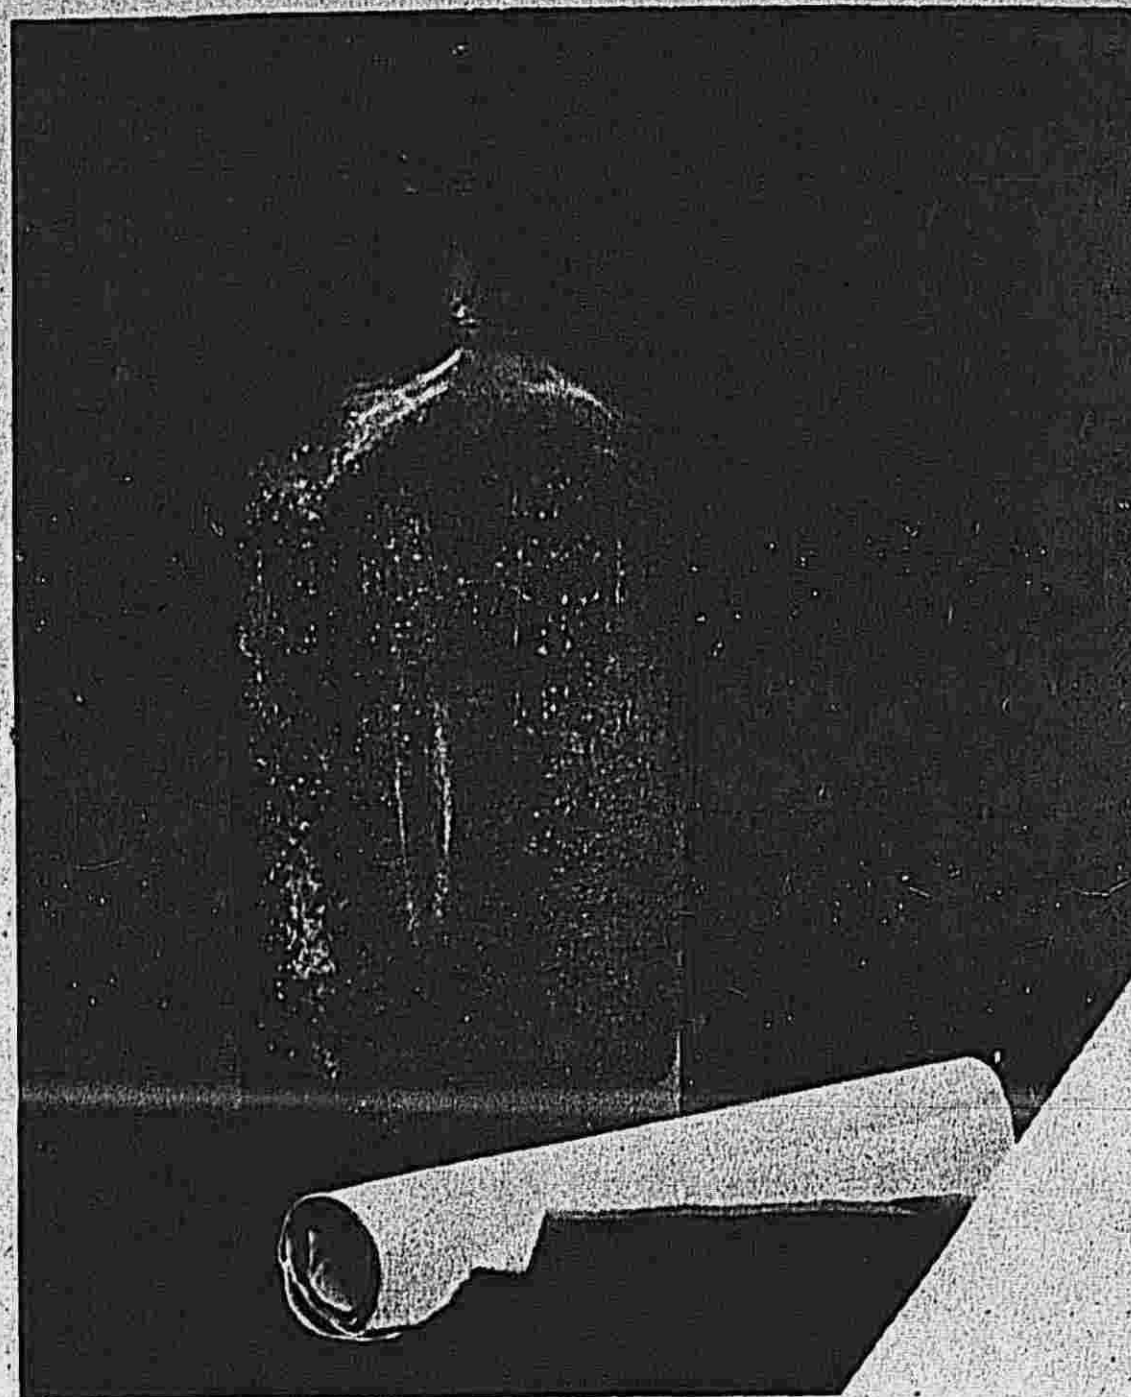

The school board will allocate the funds the best way it can to help improve the total educational program. In no way should it be implied that if the referendum is passed will this put the school district completely back in the black, but it will only allow the Board of Education the flexibility to maintain a reasonable quality program and make some provisions for the inevitable growth.

PUBLIC HEARING RE-SCHEDULED

The Zoning Board Commission was forced to postpone a public hearing that had been scheduled for Thursday, November 30th. The public hearing was canceled for two reasons. First of all Walker H. Curnes, owner of the property in question, passed away this week. Secondly, the interested developer Rudy Melchione is seriously ill and could not be present at the hearing. The late Mr. Curran was in the process of petitioning the Village of Antioch for a change in property zoning. The petitioners wish to have the current R-4 Two Family Dwelling District Zoning changed to R-5 Multiple Family Dwelling District Zoning.

If the zoning is changed it will permit the developer to construct multiple family units for housing as condominiums and rental units.

The hearing has been tentatively re-scheduled for January 11, 1973 at 7:30 p.m. at the Antioch Savings Building.

old bottle tells story

This old bottle tells a very unusual story. The bottle was found by Irving Buchta of the Buchta Trucking and Excavating Company in the wall of a building on west Main Street. The building was the former home of a Chinese Carry Out Restaurant and before that it was the home of Old Bud's Tavern, and if you go way back it was the home of J.J. Morley's Tavern.

The bottle, which is hand blown, was found sealed in the wall of the building, sitting on a

two by four. The bottle contained a note dated April 1st, 1912. The note consists of a list of names of men, who were obviously the names of the builders - J.J. Morley's name heads the list. Morley was probably in the "fighting cock" business at the time of construction of the Tavern as the letter head reads:

"J.J. Morley Breeder
 The Old Family Games
 Winners Wherever Fought"

The building is being torn down in order to make way for a Village Parking Lot.

population of antioch

As a courtesy of the North Eastern Planning Commission, and the Lake County Regional Planning Commission, the Village has received a print out of the 1970 population census in Antioch. You may be interested to know that in Antioch there are: 568 persons 55 years of age, or older. 605 persons between

the ages of 40 and 55 years of age, 517 persons between the ages of 25-40 years of age, 500 persons between the 16 and 25, and 999 between the ages of 0-15. It should be noted that these figures represent the census in Antioch in 1970 and have undoubtedly climbed in the proceeding years.

IT'S TIME TO DO OUR PART

Stop and think. Weigh the facts. Consider the alternatives. When you have taken these three steps, then ask yourself in all honesty, isn't it time that we do our part?

The Antioch News is of the opinion that it is time that we do our part, our part to make our school system what it should be.

The school board has done their part. They have tightened their belts and have cut so many programs. They have made cuts in the instructional programs as they have increased class size by not hiring additional teachers for increased enrollment, they have discontinued Adult Evening School, they have shortened the school day limiting program choices, they have reduced course offerings and this list is by no means complete.

The board has also made many cuts in the supportive services. They have limited the audio-visual aids program, counseling has been reduced, and transportation has been also reduced.

Cuts made in extra curricular activities are too great to count. These activities have either been eliminated completely, such as the newspaper and yearbook, not to mention all freshmen and junior varsity sports, or they have been drastically reduced, such as the prom, forensics, student council, etc.

The whole high school educational system has witnessed these many cuts. Some feel that the frills of education have been cut away, others feel that these reductions have cut into the very heart of the school system and that the students are the ones who must suffer.

It should also be noted that because of the schools financial plight, it was the only school in the district that did not participate in the current study concerning the feasibility of the much needed area vocational school.

The board has made as many cuts in the school as possible. Their belt can not be pulled much tighter. If many more reductions are made, the school will be facing the possibility of losing North Central and State Accreditation.

Do we really want to offer the high school kids of Antioch sub-level, cut-rate, non-accredited education. Is that what they deserve? The board is not looking to put frills in our educational programs, but rather they are trying to hang on to what they have had. They did not get into this debt-ridden

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

MORE ON THE REFERENDUM

The harsh reality of the whole tax situation is the sad fact that most "no" voters aren't intentionally voting against good education; they're simply voting against higher taxes. But, whatever their motivation, the fact remains that another referendum defeat would diminish the most important legacy we can offer our children: the opportunity for a decent education.

If the preceding paragraph sounds familiar, it's because it first appeared in this newspaper during the last tax referendum campaign (June 1972). The fact is that it is even truer today than it was last year because of the additional budget cuts that have had to be made. The effect of these cuts has now been painfully felt by most of our kids and their parents.

All the young people served by Antioch Community High School are entitled to the opportunity for a decent education. Because of this, your Board of Education has committed itself not to cut any programs or budgets that affect the kids, for next year. By taking this action, the Board is strongly counting on the taxpayers of this district being responsible enough to understand, and to do something about the educational dilemma that is facing this school district.

Education is the issue here, not "frills". People who have complaints about other school board policies should not use the tax rate referendum to vent their displeasure. Those gripes and comments should be brought to school board meetings to be aired.

The tax money from a successful referendum is needed NOW, to give kids the opportunity they deserve NOW.

situation by flagrant spending or by misuse of funds, they arrived where they are due to a squeeze between rising costs and lagging revenues.

The school board has done all that they can do to cut spending, but they are still in financial trouble. So stop and think. Weigh the facts and consider the alternatives. Yes, isn't it time that we do our part??? We wholeheartedly support this upcoming referendum. Vote YES on December 16, 1972 from Noon to 7 P.M. in your proper districts.

united services need volunteers

United Community Services, only in the beginning stages of recruiting volunteers for the Volunteer Service Bureau, which serves all agencies in Lake County that utilize volunteers, has tallied 192 volunteer hours from July to October 30th. UCS has also begun to focus on yet another type of volunteer, those with special interest and talent for special requests. For example, UCS has just registered a world traveler, who is an articulate speaker. He has taken his own colored slides and educational film of his travels. He will present a program tailored for schools, nursing homes, clubs, etcetera. There is no cost for this program any other service provided through the Volunteer Service Bureau. If you desire such a program, contact United Community Services.

DRUG ABUSE IN RHYME

The writer of the following poem on Drug Abuse is anonymous. It was first published in a newspaper in Luka, Ill.

MISS HEROIN

So now Little Man you've grown
tired of grass, LSD, acid, cocaine, and hash.
And someone pretending to be a true friend;
Said "I'll introduce you to Miss Heroin."
Well, Honey, before you start fooling with me,
Just let me inform you of how it will be.
For I will seduce you and make you my slave.
I've sent men much stronger than you to their graves.
You think you could never become a disgrace,
And end up addicted to poppy seed waste.
So you'll start inhaling me one afternoon;
You'll take me into your arms very soon.
And once I have entered deep down in your veins,
The craving will nearly drive you insane.
You'll need lots of money (as you have been told).
For darling I'm much more expensive than gold.
You'll mug and you'll steal for my narcotic charm,
And feel contentment when I'm in your arms.
The day when you realize the monster you've grown,
You'll solemnly promise to leave me alone.
If you think that you've got the mystical knack,
Then sweetie, just try getting me off your back.
The vomit, the cramps, your gut tied in a knot,
The jangling nerves screaming for just one more shot.
The hot chills, the cold sweats, the withdrawal pains,

Can only be saved by my little white grains.
There's no other way, and there's no need to look;
For deep down inside you know you are hooked,
You desperately run to the pusher and then,
You'll welcome me back to your arms once again.
And when you return (just as I foretold),
I know that you'll give me your body and soul.
You'll give up your morals, your conscience, your heart,
And you will be mine until DEATH DO US PART.

Ask IRS

Q) Which of my home expenses can I deduct?

A) Homeowners who itemize their deductions may deduct the real estate taxes paid on their property and the interest portion of their mortgage payments. Utility costs, repair and maintenance expenses are not deductible.

Improvements to a home or property are considered capital expenditures and are added to the property's basis. For more information, see IRS Publication 530, "Tax Information on Deductions for Homeowners." It's available free by writing your Internal Revenue district office.

APPLE DOLLS BORN IN ANTIOCH

Mrs. Geraldine Chandler, of Bishop Street in Antioch has an unusual hobby. She collects Antique dolls of all sizes and shapes from the 1800's on through the years. However, Mrs. Chandler found out quite quickly that this is an expensive hobby. Antique dolls are a scarce commodity and they are in great demand by many a devoted collector, therefore their value continues to climb. In looking for a way to support her new found hobby, Mrs. Chandler discovered a simple apple a day would do more than just keep the doctor away, and would "head" many a new creation.

Yes, Mrs. Chandler began to make apple head dolls. She had never seen one, but she had heard of them and decided to give them a try. Needless to say, Mrs. Chandler was indeed successful. She has been in the business for eight years now and her antique doll collection has grown to nearly two hundred dolls. She has made approximately 250 apple head dolls and they have traveled all over the world as she has a doll in Japan, Hungary, Switzerland and England. No two of these dolls are alike and Mrs. Chandler's imagination seems to be boundless as she creates, every kind of character from Indians to lock smiths, and from fishermen to stockbrokers. The only doll that Mrs. Chandler has duplicated is her peddler doll that appears to be an outstanding favorite of all who see the dolls.

Mrs. Chandler has become an expert in the business over the years. she has found the yellow delicious apple makes the best head. She peels and carves the apples, placing black eyed peas for the eyes and the mouth. A pipe-cleaner is placed through

the apple, or head which ever you choose, and serves for three main purposes: it helps conduct the moisture in the drying process, it serves as a handle for carving, and as an attachment to the body when the head is completed.

Mrs. Chandler supplied the following information on the subject:

"Apple carving is an ancient Indian art form, considered by them as a kind of magic, that has been revived in the past few years.

Apple carving is an art which best portrays the elderly, for the apples lend themselves to the portraiture of the aged - the apples shrinking and wrinkling after being carved. The process takes about three weeks, depending on room temperature and the ripeness of the apple. The real magic, however, takes place between the time it is carved and the time it hardens.

Some carvers contribute good results to skill, some to chance, and some to the 'genie' of the apple. Truly for an apple to become art is a form of magic."

Once the drying and carving process has been completed Mrs. Chandler has a new head to work with. She gives each head the most appropriate body possible. She models the body out of flexible wire and then covers it in soft foam. Hands and feet are molded out of ceramic clay that are fired for her by a friend. Sometimes, Mrs. Chandler makes the hands and feet out of dough and Elmers glue. The clothes are sewn right on the dolls to provide for their best fit. However, Mrs. Chandler hates to call these newly created little people, "dolls," because they are not something that you can really play with, rather they are

mainly for display purposes.

It is, also, interesting to note that there is no preservative that is added to the apple after the process has been completed. The apple becomes darker with passing time, but it always retains its shape. Mrs. Chandler has seen one apple-head doll that was nearly 100 years old, she said that it was very dark but still looked good.

Mrs. Chandler makes and sells her dolls by request and she also sells them through stores in Wilmot and Waukegan. She has had a request order for 100 dolls which she turned down. She would like to keep her apple-headed dolls more as a hobby and on an individual basis rather than turning out a big production. Mrs. Chandler has enjoyed making and collecting dolls since she was a little girl, and she hopes to keep up with them both.

COUNTY BUDGET RAISED

The County Budget was raised to \$26,269,409 an increase of \$467,764 over last year's budget, when the Lake County Board met last Wednesday.

According to Antioch's Township supervisor, Red Murrie, the new budget was finally agreed upon after six hours of "haggling" and after all was said and done it was only raised by \$1,000 over what had been previously proposed.

The levy for the coming years totals \$10,195,026, this is an increase of \$163,182 over the current levy. How will this effect the tax levy next spring? It will effect it by an increase of \$4.70. Based on the approved budget, a home with the assessed valuation of \$10,000 will be taxed \$57.30 over \$52.60 based on the same assessed valuation last year.

Preceding Wednesday's lengthy meeting was a public meeting on Monday night, however, Murrie pointed out there were only two people in the audience.

This apple headed beauty represents an old english peddler. She is a favorite among Mrs. Chandler's apple head dolls. (Staff Photo)

ANTIOCH WINS OLYMPIC GAME

Last Wednesday's group of three parents, students and faculty members made their way to Channel 44 to take part in the recording of a television score that is called the Olympic Game. Antioch's contestants met with success as they were able to top Argo High School and Thornridge High School by five points, winning by just one question.

Their successful efforts will bring \$600 worth of educational materials from Science Research Associates to the High School. Also Antioch is now eligible to take part in the semi-finals that will take place sometime in February.

The parents competing in the Olympic games were: Art Blecke, Tom Pocrnich, and Lucian McLean, Faculty members were: Miss Diane Busch - Librarian, James Corrigan - English, and David Monke - Bookkeeping. The students

were Wendall Burris, Cindy Hyden, and John Thain.

The Olympic game will be shown on Channel 44 on December 9th, 16th and 23rd at 5:00 p.m. Congratulations to this winning team and good luck to them in the semi finals.

Would anyone ever guess that this genuine looking Indian brave has the face of a dried and carved apple? (Staff Photo)

TIRES CONTINUED

There are so many different kinds of tires, that a description and an explanation of these tires might help you out in deciding, which tires are best for you.

The bias-ply tire has two or more plies. Each ply consists of cord imbedded in a layer of fabric. The layers constitute the carcass of the tire. The cords in each layer, or ply, in a bias-ply tire run at an angle (bias) to the tread. In a 2-bias-ply tire, the cords in one ply run at a bias in one direction and the cords in the other ply run at a bias in the opposite direction.

The belted bias-ply tire is a bias-ply tire with a belt of material added, as used in the radial-ply tire, underneath the thick tire tread.

The radial-ply tire has one cord-imbedded-layer, with cords running radial to the tire, from bead to bead of the tire. This construction requires a belt or belts of material running completely around the tire, below the thick tire tread.

Along the Way with *Annie Mae*

The holiday party season has begun. Saturday night, Jeff Santino of the Antioch Country Club put on the first annual membership holiday party. Decorations were elegant and the hors d'oeuvres and dinner superb! Oyster on the half shell were a delicacy enjoyed by Dick Daniels and tried by Caroline Costoff.

A slide show from past parties and golf outings gave everyone a good laugh and fun memories. This was presented complete with circling mirrored ball.

Dancing to a good dance band topped the evening just right. Jeff's parties are unusual and good fun - a thought for membership in 1973. A nice

Christmas gift you can share with the whole family.

Belated birthday wishes to Lila Palinski who celebrated on December 2nd. Mary Fries and Pat Harvey have their special day on Dec. 6th. Happy birthday also to Dan Kasik on Dec. 8th and Jerry Schmidt on the 9th; to Joan Houllhan and Edie Shatley on December 11th. The 12th is the special day for Jan

Anderson and Hank Apostol. And across the miles goes a big hug and a kiss to Sue Anderson who also celebrates on the 12th.

Home from enjoying their two weeks vacation in St. Petersburg and Ft. Lauderdale, with their daughter Mrs. Gen Cermak and Miss Chris Tyler are Mr. and Mrs. Peter Zalatoris of Shady Nook, Lake Marie. The weather was ideal and many people there are enjoying it. The flight there and back was very smooth. The Zalatoris' son William flies for the American Air Lines.

Get well wishes to Jane Craner. We missed your art column in

our paper last week. Glad you are with us again - but take it easy!

Condolences to the Walker Curnes Family.

Those few flakes of snow last Friday sure brought excitement to all the snowmobile owners. A group of the firemen went all the way to Grass Lake to test the machines. With a little more practice, Carney, you'll do okay!

The Christmas trees are out on the corners and many decorations are already up. Now for the Christmas cards and packages - Mail SOON - to

assure delivery in time.

The High School concert band, choir and freshman girls chorus will be presenting their concert on December 17th - be sure to attend. It's so much better to play to a full audience. Support these hardworking young musicians - they put many hours into the preparation as does Ralph Brooke the director.

Hurrah for the Sequoia's winning two this weekend! That's the way to play boys!!

Now for the cookie baking! Oh the holidays are exciting!

On My Way
Annie Mae

CUTS HURT

BAND AND CHOIR

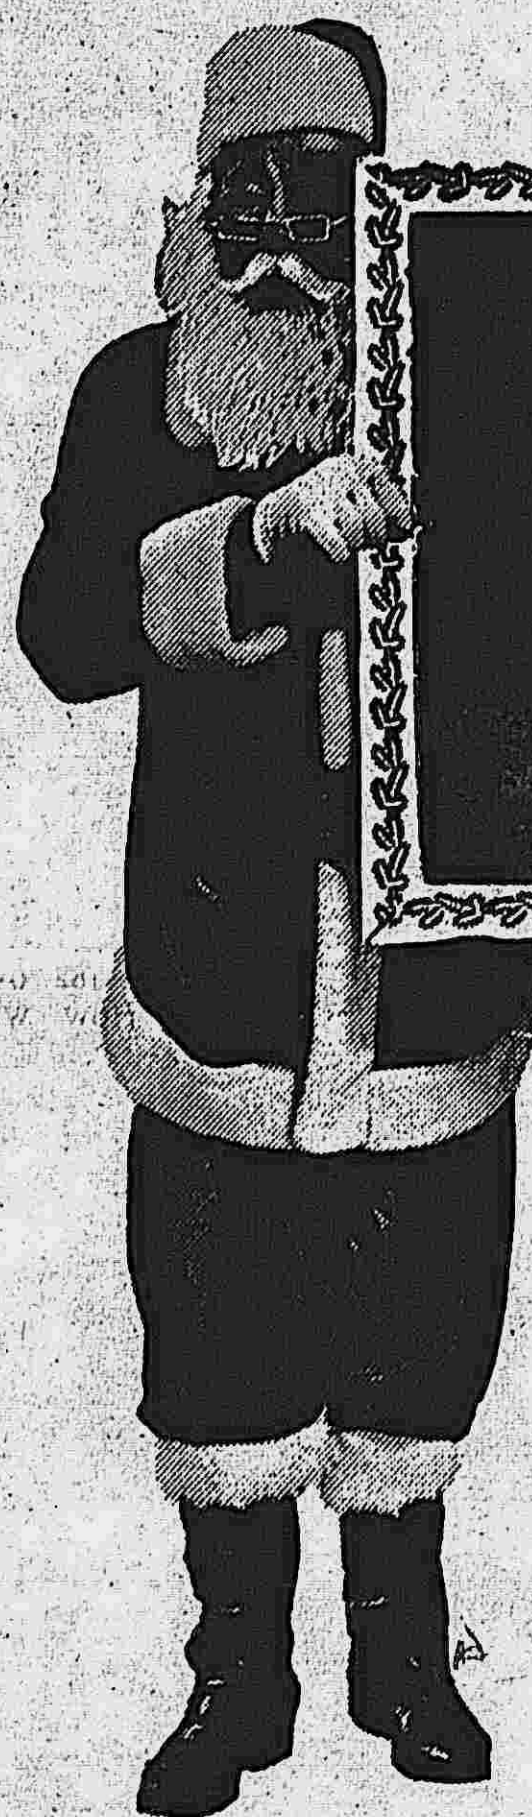

As a result of the tax referendum, which was defeated twice last year, the band and choir will only give one performance the entire semester. Their debut will be the only time the students will have an opportunity to increase their experience and confidence in themselves.

This unjust fact is a result of a combination of many things. Obviously, the first difficulty would be that the student-teacher ratio is at an extreme. No teacher could handle this many kids and still give more than one performance per semester that would be worth hearing. "I think we'll be able to do it," said Mr. Brooke, referring to the December 17 concert. There is no doubt in my mind that we shall be ready in December. Unquestionably, our instructor, Mr. Brooke, could prepare us for a concert in less than a month if he didn't have so many students under him in both band and choir. Wearing two hats as both band instructor and choir instructor has multiplied his difficulties.

Speaking just for band, the number of students this year to the number of students last year has decreased. Since the kids knew how big a cut back was to take place this year in band, possibly they already realized that they would be deprived of the extra bonus that band once gave them. Take for instance, the clarinet section. This year we have two people on a stand, totaling six people. Last year's section comprised about five on a stand, totaling fifteen in the section. This reduction has not only hurt the volume of the band but also the performance, since certain parts will never be heard.

The tax referendum that the tax payers voted down last summer has affected far more than the Fine Arts Department. As a matter of fact, just about every department in the school has been hurt just as bad or worse. Despite all the difficulties that have occurred, we still will give a concert before Christmas. As always it will be good; and we definitely will be ready. If you wish to hear good music and see the debut of the bands and choirs, come see us Sunday, December 17th at 8 p.m. at the ACHS auditorium.

70 YEARS AGO, DECEMBER 4, 1902

Chase Webb was buying new goods in Chicago, Tuesday. Frank Pitman Jr. and John Sibley transacted business in Richmond, Friday.

50 YEARS AGO, DECEMBER 7, 1922

There was a very good attendance at the Thanksgiving dance held at the Antioch Opera House and everyone present had a good time.

Oakland School News - Emil Hallwas and Eugene Sheehan received 100 percent in the arithmetic examination.

25 YEARS AGO, DECEMBER 4, 1947

On Dec. 8, Secretary General Melvin Jones of Chicago, founder of the Lions Club was guest speaker of the Antioch Lions Club meeting held at Pregoner's Resort.

Mr. and Mrs. Richard D. Eckert are the proud parents of a son born December 4th. "Terry James" was born at Victory Memorial Hospital in Waukegan.

10 YEARS AGO, DECEMBER 6, 1962

George M. Horn, Indian Point, Antioch, will serve as masters of ceremonies at a luncheon of the Illinois Society of Certified Public Accountants' 8th annual tax conference meeting.

Postmaster Roy Kufalk made an urgent appeal to the public to mail early. The P. O. Dept. is offering this year a new 4 cent Xmas stamp for sale.

Remember When?

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

COUNTY OFFICIALS TO RECEIVE INCREASE

Lake County's Elected Officials will receive a pay increase from \$19,000 to \$21,000 it was decided upon last week. This is the maximum wage under the old law, however since the pay

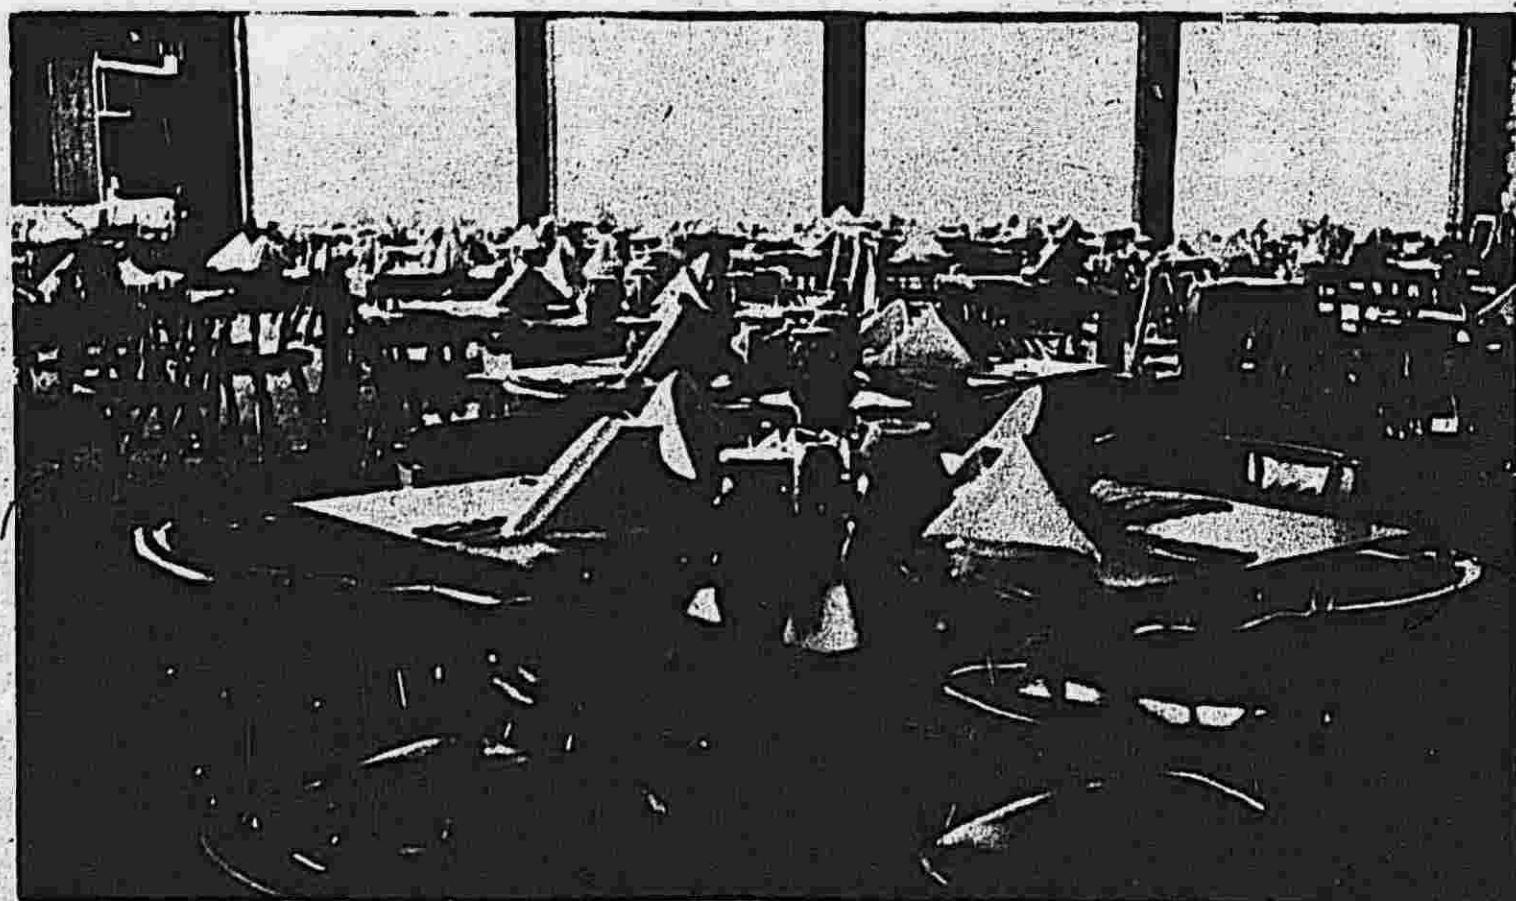

increase has been passed last week, a new law has come into being. The maximum wage under the new law for County officials is \$27,000 and the minimum is \$21,000. Gov. Olgilvie has already passed the

new law, but it was passed too late as far as the Lake County's officials are concerned; their budget had to be decided on before December 1st as that is the beginning of their fiscal year.

THE WATERCOLOR PALETTE AND A BIT ABOUT WATER.....I find a basic palette of colors would include: **REDS** - Venetian Red and Cadmium Red Madder, **YELLOWS** - Cobalt Yellow, Yellow Ochre and Raw Sienna, **BLUES** - Cobalt Blue, Ultramarine Blue and Prussian Blue, **GREENS** - Veridian, **BLACKS** - Ivory Black and Paynes Gray. These colors are compatible, that is, they will cause few problems in intermixing. The omission of suggesting a white is intentional because in strict watercolor practice, the lightening (tinting) of any color is dependent upon the amount of whiteness of paper showing thru the transparent watercolor layers.

Watercolors come in dry cakes, semi moist pans and tubes containing paints of a creamy consistency. Cakes sometimes give problems of graininess in washes. Because of the ease of handling and storing, pans are usually the choice for art rooms in public schools. But the main problem with both the cakes and pans is the limited number of different colors. Preferred are tube colors of artist quality, for brilliance can be had without diluting with water. You might have some trouble with caps sticking on tubes, but this is easily corrected by heating the cap for a few moments with the flame of a match. Clean off the rim of the opened tube before replacing the cap and it will be

less likely to stick. And to prevent the paint from drying in the tubes, replace the cap tightly. It is also a good practice to squeeze the paint from the bottom of the tube and roll it up as it is being used.

The palette you use to hold the paints can be the kind of trays you buy in art stores. These have either shallow wells or rigid compartments to keep the colors from contaminating each other. But for mixing the colors or working up a large wash, that is flooding a color with a lot of water, to make it a flowing consistency, you will need a large white absorbent surface. I use a 9" x 12" white enameled platter like a butcher's tray. Other choices would be large size plates or platters, but in any case they should be white, for as you are stirring the colors with your brush the surface should give you the same effect as the white paper. The palettes that are attached to watercolor paint boxes are never adequate in size.

Water is a major ingredient in watercolor painting, and should be given careful consideration. Just any old tap water won't do. Brown spots appearing unexpectedly could come from iron in the water. Salts and chlorine could do their share of damage. So if you have any doubts as to the water, be on the safe side and use either distilled water, rain water, or melted snow. You can give your colors more adhesive power by adding

POST OFFICE HOLIDAY HOURS Christmas Card Week

Your Postmaster Mr. Barnes has designated December 10 through December 16, 1972, as **CHRISTMAS CARD WEEK**. Avoid the last minute rush. Mail your ZIP Coded greetings during **CHRISTMAS CARD WEEK**. Colorful 8 cent Christmas Postage Stamps are available at all post offices. All greeting cards, whether sealed or unsealed, must have postage of 8 cents for each ounce. ON Saturdays December 9 and 16 the Post Office will be open until 5:00 p.m.

BLIND TO HELP DISABLED VETS

The Blind in the area are in there pitching this Christmas. They have organized a Christmas party to be held on December 10th at the American Legion Hall Post 1170 in Round Lake Park. The Christmas party is a special one as it will be held in the honor of the 150 disabled vets from the area and is to be sponsored by the Blind Organization of the Lakes Area Inc. This is the first time that they have organized such a feat and they hope it will be a huge success.

The Blind Association needs some help however; they need money to help pay for the planned turkey dinner and they need presents to distribute to the disabled vets. Any contribution would be appreciated. There is a specially designated box at the First National Bank for any donations. The box will be picked up on December 8th.

the following mixture to your water: three parts gum arabic, to one part glycerine and a small quantity of grain alcohol. The gum is diluted in the warm water. Other additives can be honey, sugar syrup, or beer. Using additives will give greater brilliance to colors as well as keep over washes from disturbing the underpainting.

SANTA EXPRESS

boxes are Santa Express Mailboxes and the letters will

Contrary to popular belief, the North Pole is not around the corner, therefore it takes a long time for that Christmas letter of requests to reach Santa's home before he takes to his sleigh. Upon recognizing the plight of many a child who has failed to get his or her Christmas list sent out before the rush, the Antioch Jaycees have set up two special mailboxes. These mail

be shipped directly to the North Pole in no time flat. But, how will you know if Santa has received your letter? Will he write you a letter back, so be sure to include your return address and get your letter mailed before December 16th. Santa's Mail Boxes will be located in front of Stanley's Fashions for Men and the Young Image Shop.

This smiling mother to be is Jill Hein, who will soon be leaving her job as manager of the Corbin Travel Agency, to give birth to a Christmas Baby. Everyone keeps telling Jill the baby will be a boy, but she has secret thoughts of a girl. Jill is the wife of Clarence Hein and resides in Fox Lake Hills, Antioch. Formerly from Australia, she has been in the United States for about 7 years. She has been employed with Corbins Travel Agency since its opening last May. (Staff Photo)

AMERICAN LEGION AUXILIARY

"A number of activities are scheduled in a few day's time, but it could not be avoided" states Mrs. Richard Stastny, Mundelein, State Downey Hospital Representative and 10th District Rehabilitation chairman of the Illinois American Legion Auxiliary, as she relates the agenda between December 13th-16th under the rehabilitation program only.

The annual Christmas Dance Party of the 10th District Auxiliary will be held on December 14th, from 7:00 to 9:00 p.m. in Building Four, Room 102, Downey Hospital. The 22 Lake County Units furnish sandwiches, while the 10th District Auxiliary dispenses eggnog and cookies. All legionnaires and Auxiliary members are welcome to attend this party for the hospital patients.

December 13th - 15th, volunteers are urgently needed to address some 8,000 \$1.00 canteen books, with hours from 9:30 a.m. to 3:30 p.m. December 13th; and from 9:00 a.m. to 3:00 p.m., December 14th and 15th, in the Volunteers' Room, Downey Hospital. These canteen books will be distributed to the hospitalized veterans by the 10th District American Legion on December 16th, with Auxiliary members aiding the men. Ruel Hartwell, Waukegan, is the Legion's district chairman.

Canteen books are part of "The Gifts to Hospitalized War Veterans" program, originated in 1944 by the late Eddie Cantor, Sophie Tucker and the American Legion. Once nationwide, Illinois is now the only state which has continued to sponsor this project annually. More than 14,000 gifts to men and women patients in VA and other Illinois hospitals are given during the Christmas season. The Illinois American Legion has spent in excess of 2½ million dollars providing this yuletide cheer to all hospitalized come from American Legion Posts and Units throughout the state.

Christmas parties for all the patients will be held on December 20th, 21st, and 22nd, from 9:00 a.m. to 4:30 p.m. in Bldg 4, Downey Hospital.

The 10th District American Legion and the Auxiliary will have their yearly "Christmas Caravan" on Saturday, December 16th, for all the children at Arden Shore Home in Lake Bluff, Gateway House, Allendale School for Boys and the Lake Villa Central Baptist Children's veterans since the program's inception. Much of their funds

Home. District children and youth chairman, Robert Maxwell of Mundelein; and co-chairmen, John Jones, North Chicago; and Mrs. Louis Thompson, Waukegan; announce that large games, sporting equipment, tobaggons and "Christmas Stockings" will be gifts presented the four Children's Homes.

Children and youth chairmen, legionnaires and Auxiliary members will meet at the Lake Regions' American Legion Home

LAKE COUNTY SALON NO. 191
by Del Jahneke

The Lake County Salon No. 191, Illinois Eight and Forty, honor subsidiary of the American Legion Auxiliary, will hold their Christmas Party Meeting at 8:00 p.m., at the Mundelein American Legion Home tonight, December 6th. Mrs. Ray Suzzi, Highwood, Le Petit Chapeau, will conduct the meeting.

There will be a \$1.00 Christmas gift exchange, and the awarding of the Christmas wreaths, beautifully fashioned from discarded jewelry by Mrs. Fred Schultz of North Chicago.

Mrs. Chester Schwerman, Libertyville, ways and means chairman, reported that a most successful "White Elephant Sale" was held at the November meeting in the Antioch Upper Grade School.

The Eight and Forty specializes in the prevention and control of tuberculosis and cystic fibrosis in children, and in providing TB nursing scholarships for graduate nurses.

"Through our children and youth work, many programs are available at the National Jewish Hospital at Denver, Colorado, (NJH), the only hospital in the nation that specializes in children's respiratory diseases" explains Mrs. John Schultz, North Chicago, children and youth chairman; "Among these are the pediatric equipment fund; bed dedication and bed maintenance; the recreation fund, which includes the new camera club, the summer campout program; and more equipment for their recreation center. Our contributions help to maintain these programs for the NJH children."

Mrs. Ray Rathmann, Mrs. Ed. Jahneke and Mrs. J.L. Horan will represent the Antioch Unit at this party.

in Fox Lake, at 10:00 a.m., December 16th. This year, the "Caravan" will be an unusual sight as an old red fire engine (property of the Sharvin Legion of North Chicago) will be pulling a flat bed, replete with "Santa Claus, in his red sleigh, laden with Christmas packages" (courtesy of the Lakes Regions' Legion Post and Unit, Fox Lake). This Caravan will then proceed to visit the Allendale School for Boys and the Lake Villa Central Baptist Children's Home, and give them their gifts. The other two Homes will be visited by members only, and given their presents.

Mrs. William Dowden is the Antioch Unit children and youth chairman, and she and her husband have participated in many of these Caravans, and in the annual picnic held in May for these same children.

Mrs. John L. Horan, in her double capacity as President and Unit rehabilitation chairman, will be concerned with many of the events at Downey Hospital.

LIONS END SUCCESSFUL YEAR

So often you hear that the Lions are doing this and the Lions are doing that, but when it comes right down to the nitty-gritty what have the Lions done this year.

Actually, the Lions have done quite a bit. They are 153 members strong and are considered the largest and the best Club in District 1.F. This year the Lions have donated over \$10,000 that was distributed as follows: Approximately; \$7,400.00 to Antioch Rescue Squad, \$700.00 to Hadley, \$700.00 to Leader, \$100.00 to Dialogue, and \$100.00 to Cobbler, \$300.00 to Save Our Sight, \$200.00 to the Athletic Banquet, \$200.00 to the Antioch Service Corporation, plus the camp lions, Red Cross, Care Cancer, Glasses, Trip for Blind Bowlers, Baskets for Bowlers, Youth Night at the High School, etc.

In closing the Board this year, Lions President Gus Costoff

will always be the number "one" club. I am sure that next year will give your new board the same cooperation you gave us for another successful year."

Special thanks to the Lions for a job well done and expressing hope for a continued success.

said, "We are all proud to be Lions and working together we

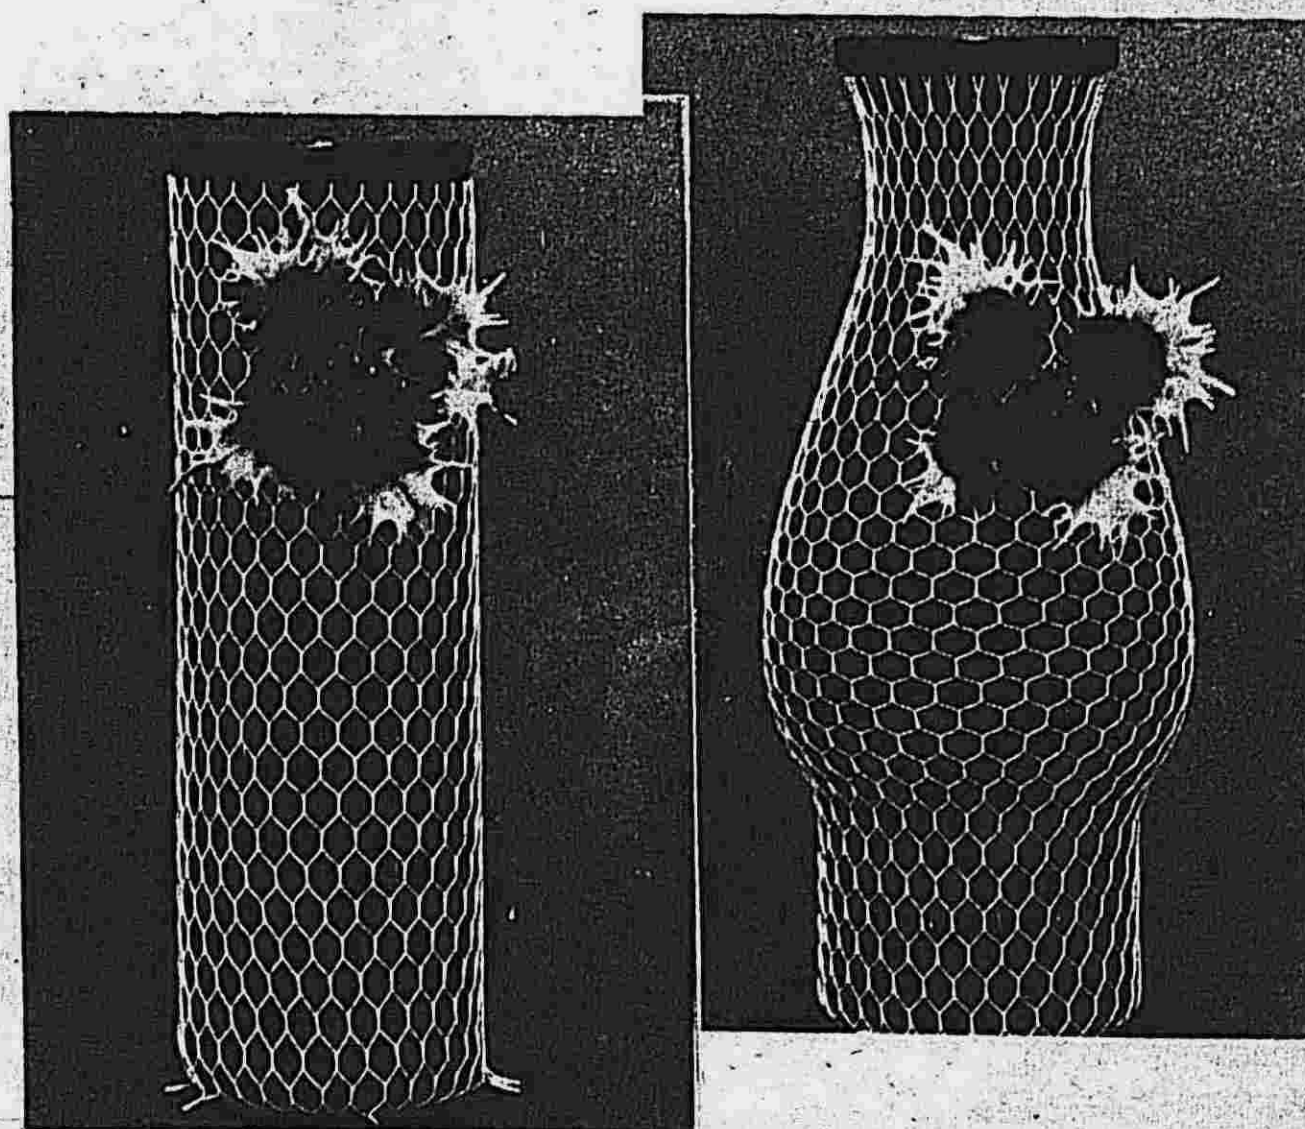

NAIM GROUP

CHRISTMAS PARTY

The Lake County Naim Group, an organization for widows and widowers meet the second Sunday of each month, at Our Lady of Humility Church Hall, 1801 Wadsworth Road, Zion Illinois at 2 p.m. For information call K'tony Bayniewicz at De 6-2739 or 336-0178.

The group will meet on December 10, 1972 for a gift exchange and a Christmas program will follow.

VEHICLE STICKERS ON SALE

Vehicle Stickers are presently on sale at the Village Hall. The deadline for the purchase of the new sticker is February 15, after this deadline the late buyer will be penalized by \$2, costing him a total of \$8 instead of the regular \$6.

There is also a possibility there will be a replacement fee charged for the transfer of any sticker, for instance to a new car or the damage of any sticker through an accident, etc. The possibility of the fee is being investigated by the license committee at the request of the Village Board.

Celebrate New Year's Eve

at the Antioch Country Club

\$12.50 per person

Includes complete dinner with glass of champagne, Party Favors, dancing to the music of The Versalaires, tax and tip.

Dinner menu consists of appetizer, salad, choice of top sirloin steak or brochette of prime beef over rice, vegetable, rolls, coffee, tea or milk and dessert.

Dinner will be served beginning at 7 P.M. and open dining will be in effect through the evening.

**DANIEL - FAGAN
WEDDING VOWS TOLD**

Miss Charmaine Daniel became the bride of YNSR Michael A. Fagan on Friday, November 17, 1972 at St. Peter's Church in Antioch. The Reverend Father Keusal officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Richard Daniel of Antioch and the groom is the son of Mr. and Mrs. Anthony Fagan of Libertyville.

Charmaine chose a gown of white velvet trimmed with baby pearls. She carried a bouquet of white carnations, orange tea roses, and babies breath.

Others in the wedding party

were Karen Daniel, maid of honor, Colleen Fagan, Renee Powalish, Elizabeth Jurkacek were bridesmaids.

The best man was Gary Garbin, groomsmen were Don Mosier, Michael Wanta and Keith Stras.

The newlyweds were honored at a reception at Lorenz's Smart Country House in Antioch.

After a honeymoon trip to Wisconsin, YNSR and Mrs. Michael Fagan will live at the U.S. Naval Air Reserve in Adak Alaska where the groom is stationed.

**WEIGHART - SEIDELMANN
NUPITALS**

The Christ Episcopal Church in Waukegan was the setting for the marriage of Miss Carol M. Wiegart to Mr. John C. Seidelmann on Saturday, October 28, 1972. Father savage officiated.

The bride was given in marriage by her brother-in-law, Mr. George Holtz, Jr. She wore a taffeta gown with organza and chantilly lace with a matching fingertip veil.

Miss Darlene Wiegart of Zion,

Ill served as her sister's maid of honor. She was attended by bridesmaid, Mrs. Gloria Holtz and flowergirl, Gretchen Holtz.

Mr. Frank Nauseda of Dallas, Texas served as best man while Halter Hayes of Chicago and Elroy Moeller of Lake Villa were groomsmen. The ringbearers were Pat Wiese and Gene Holtz.

A reception followed at the Waukegan Elks Club.

After a Honeymoon trip to Wisconsin, Mr. and Mrs. John Seidelmann, will make their home in Wheeling, Illinois.

LETTER TO SISTER

Following is a poem given to Pat Toman, now Mrs. Craig Rosemann, by her sister Kathy. It was not printed with her wedding picture due to lack of space.

MY SISTER

There she knelt so serene and sweet

as I stood there by her side.
I wonder if she'll ever know
that thruout the night I cried.

Cried for things which are ours
no more

and for time which has gone
past.

Cried for the love we always
shared

and love that will always
last.

Cried for the times we fought
and said

things which broke our
hearts.

Cried for little mean words
that

always tore our hearts apart.

For her sake, now, I try to
smile,

tho tears seep from my eyes.
God, I pray please give me
strength

don't let her hear my cries.

The vows are said, now they
are one

and down the aisle they drift.
God could never have given
one

on earth a more splendid
gift.

The gift of love is all I ask
for my sister in the end.

For her husband is her life,
and her sister is now her
friend.

NEWCOMERS MEET TONIGHT

The Antioch Welcome Wagon Newcomers Club will hold its monthly meeting for December tonight at 8:00 p.m. at the Antioch Methodist Church. All members and guests are invited to attend. After the meeting there will be a silent auction on the Christmas decorations, with the proceeds going to the Easter Seal Fund. Also the Club will put on a short skit with a Christmas theme. So plan to attend and bring along your Xmas item to be auctioned off. This can be new, old or bought. Refreshments will be served.

Remember the Christmas Party for members will be held Saturday, December 9th at the home of Nancy Mannuso. Please call her to tell her you are coming and for the time and additional information.

"MESSIAH" PRESENTED BY CLC CHORUS

The 250-voice Community-University Oratorio Choir of Illinois State University will present Handel's "Messiah" under the direction of Dr. John Ferrell at 2 p.m. Sunday, Dec. 10, in Stroud Auditorium.

The Oratorio Choir, composed of community personnel and university students, will be accompanied by the University Chamber Orchestra, directed by Dr. Arthur Corra, chairman of the Department of Music.

Soloists will be Sam Scifres, tenor, and David Nott, bass, both assistant professors of voice at Illinois Wesleyan University;

New Deductions

Mr. and Mrs. James Mach of became the proud parents of a baby girl on November 27th. Jennifer Lynn, their 1st child, tipped the scales at 7lbs. 2oz. and was 19½" long.

A baby girl was born to Mr. and Mrs. Louis Morjal of Lake Villa on November 27th also. Michelle Florence weighed in at 7lbs. even and was 19½" long. Michelle is also the first child.

and from ISU, Delores Ivanchich, soprano and Judith Schwenzfeier, alto.

Miss Ivanchich is assistant professor of music and Miss Schwenzfeier is instructor in music.

Tickets are free and may be picked up at the ISU Music Department office or at The Music Shop, Normal.

Area student members of the choir are: Joan Harmon, Rte 4, daughter of Mr. and Mrs. J. Horton of Antioch and Susanne Liles, daughter of Mr. and Mrs. John Liles of Lake Villa.

ACHS CHRISTMAS CONCERT

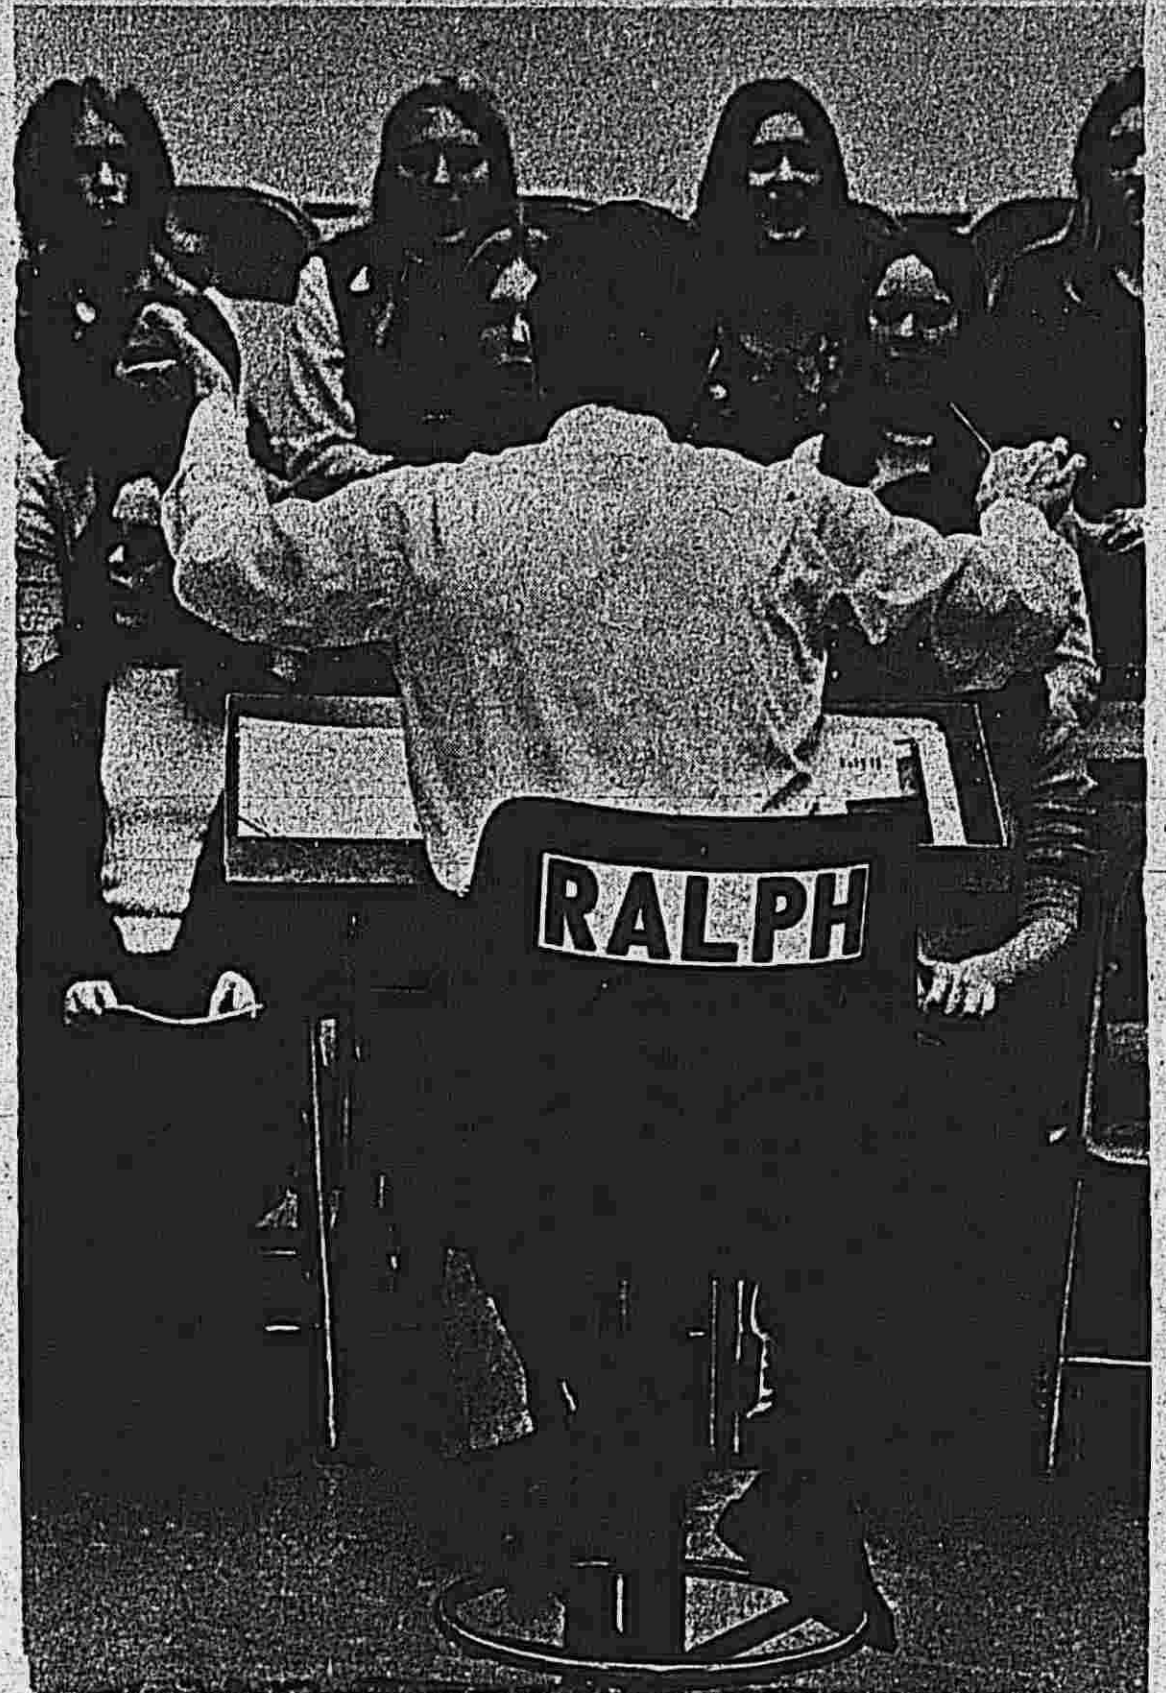

The Fine Arts Department of Antioch Community High School will present its annual Christmas Concert on Sunday, December 17, at 8 p.m. in the school auditorium.

This year's concert will feature four of the school's musical organizations: The Wind Ensemble, the freshmen Girls' Chorus, the Swing Choir and the A-Cappella Choir, all under the direction of Mr. Ralph Brooke, chairman of the department.

The instrumental portion of the concert will feature works by Caesar Giovannini, Peter Tchaikowsky and Antonio Vivaldi.

Vocally, the concert will present a wide range of material from contemporary to folk song to classical. Among the composers represented will be Randall Thompson, Johann Bach, Harry Simeone and George F. Handel.

The program promises to provide an excellent evening of entertainment. During the intermission examples of the work created by the art students will be on display.

Choir rehearsing for upcoming concert

Band readying for concert

IN THE SHOES OF CHILDREN

Fifty-two Antioch parents stepped into their children's shoes and went to school for a night last Tuesday, the 28th. This was a special night as it was the first one of its kind as the parents actually participated in the program.

The fifth and sixth grade parents had a difficult assignment. To build a battery and then to see if it worked. The parents were successful in their task as the experimental light bulb lit up on their very first try.

The 8th grade parents were busy testing and identifying unknown materials. Some of the

parents even worked on bondage, discovering how materials are held together.

This new type of Science Presentation was thought to be very successful as well as meaningful to all of the parents who participated. These parents were able to acquire first hand knowledge on what their children are learning. A similar Social Studies Presentation is currently in the making and is tentatively scheduled for March. It is hoped that a greater number of parents will participate in that presentation.

LIFE UNDERWRITERS PLAN CHRISTMAS PARTY

The Lake County Life Underwriters will have their annual Christmas Party for their members on Friday afternoon, December 15, 1972, at the Glee Club in Waukegan.

The annual luncheon party will

start with hors d'oeuvres at 11:30 a.m. promptly. The Christmas Party is planned by the officers of the Life Underwriters as a token of appreciation through their members for their outstanding cooperation during the

past year.

James Walsh of Antioch, Illinois, President of the Lake County Life Underwriters, cordially invites all Life Underwriter members to be present for an afternoon of pure enjoyment with no business on the agenda.

ROYAL NEIGHBORS PLAN XMAS PARTY

On Tuesday November 28th THE ROYAL NEIGHBORS OLSON CAMP 459 met at the American Legion Hall. Bea Milz marched in with the American Flag and all said the Pledge of Allegiance. Plans were made to hold their Xmas Party on Dec. 12th at 6:30 p.m. Each member is to bring a \$1.00 gift exchange and to remember to put her name inside her gift.

Irma Hostetler is in charge of the Xmas Party so if any one has any questions kindly contact Irma Val Golden and Evelyn Palaske are her co-workers.

The floor work done by the ladies was complimented by our oracle. She was pleased how well the floor was done.

The kitchen committee for this evening were Lillian Hand and Ellen Flint. They served a variety of cupcakes and Jello.

REMEMBER OUR XMAS PARTY DEC. 12th AT 6:30 P.M.

GOLDEN OPPORTUNITY: Alison Hevrdejs (center) of Antioch, Illinois was one of two outstanding Illinois 4-H members to be awarded \$500 college scholarships by Santa Fe Railway in Chicago, Monday (November 27) during the 51st National 4-H Congress. Presenting the scholarships to Miss Hevrdejs and Pam Stewart (right) of Mt. Vernon, was John S. Reed, president of the railroad. Santa Fe has supported the 4-H program for 50 of its 51 years and currently provides 27 scholarships and 60 educational awards to outstanding 4-H members residing in 3 western and southwestern states it serves.

BANNER YEAR FOR LAKE COUNTY 4-HERS

Alison Hevrdejs, Antioch, and Rick Kubetz, Ingleside, were recipients of special state and sectional awards at the 1972 Lake County 4-H Club Awards Night Program held November 3. Miss Hevrdejs received the state award of an expense paid trip to National 4-H Congress in overall achievement sponsored by Ford Motor Company and a 500 educational scholar sponsored by the the Santa Fe Railway System. Mr. Kubetz was named a state and sectional winner in the public speaking program. He was also awarded an expense paid trip to National 4-H Congress and a \$50 U.S. Savings Bond sponsored by the Union Oil company. Both are nine year club members.

The coveted Key Award is based on outstanding achievement and overall excellence as a 4-H club member in the state of Illinois. This year the Key Award went to Jean Schoelzel and Janet Schoelzel of the Millburn Maidens; Carol Mudd, Fireside Chips, Gary Wells, Millburn Hornets; Robin Walker, Willwas; and Rick Kubetz, Chain-O-Lakes.

Receiving the "I Dare You" book award for exhibiting outstanding leadership as a 4-H member were Earl Shanks and Davind Shanks of the Happy Hayceeds; Pam Hunley, Jean Schoelzel, Janet Schoelzel, Millburn Maidens and Carol Mudd, Fireside Chips.

Mrs. Helen Volk, former Extension Advisor in Lake

County presented the Helen Volk educational scholarships spon-

sored by Lake County Homemakers Extension Association to Karen Dughi, Judy Hevrdejs and Rick Kubetz.

The Illinois Brown Swiss Breeders Award went to Diane Rudsinski of the Volo Busy Bees.

Delegates to State 4-H Leadership Camp and State Conservation Camp for 1973 were named. Leadership: Robin Walker, Williwaws; Barbara Meyer, Tailormaid; Gary Wells, Millburn Hornets; David Shanks, Happy Hayceeds.

Conservation: Jeff Schoelzel, Millburn Hornets and Rodger Jackson, Cave Crickets.

ANTIOCH STUDENTS

VISIT CLC CAMPUS

Approximately 90 seniors visited CLC campus Friday, November 10, to hear about career programs at CLC, career planning, and to visit labs on campus. The meeting - 11:45 a.m. to 1:30 p.m. - included brief presentations on admissions procedures, financial aids, and job placement. Following a slide presentation on career planning and career programs, small groups were organized for guided tours according to areas of interest.

ANTIOCH ADVENTURERS

WINTER ACTIVITIES

The Antioch Adventurers 4-H Club has 13 people this year, and 5 mothers to help. Their leader is Mrs. Helen Lagerstrom. The Antioch Adventurers go bowling every month at the Antioch Bowling Lanes. They made candy turkeys for the elderly at the Hamstead House for Thanksgiving.

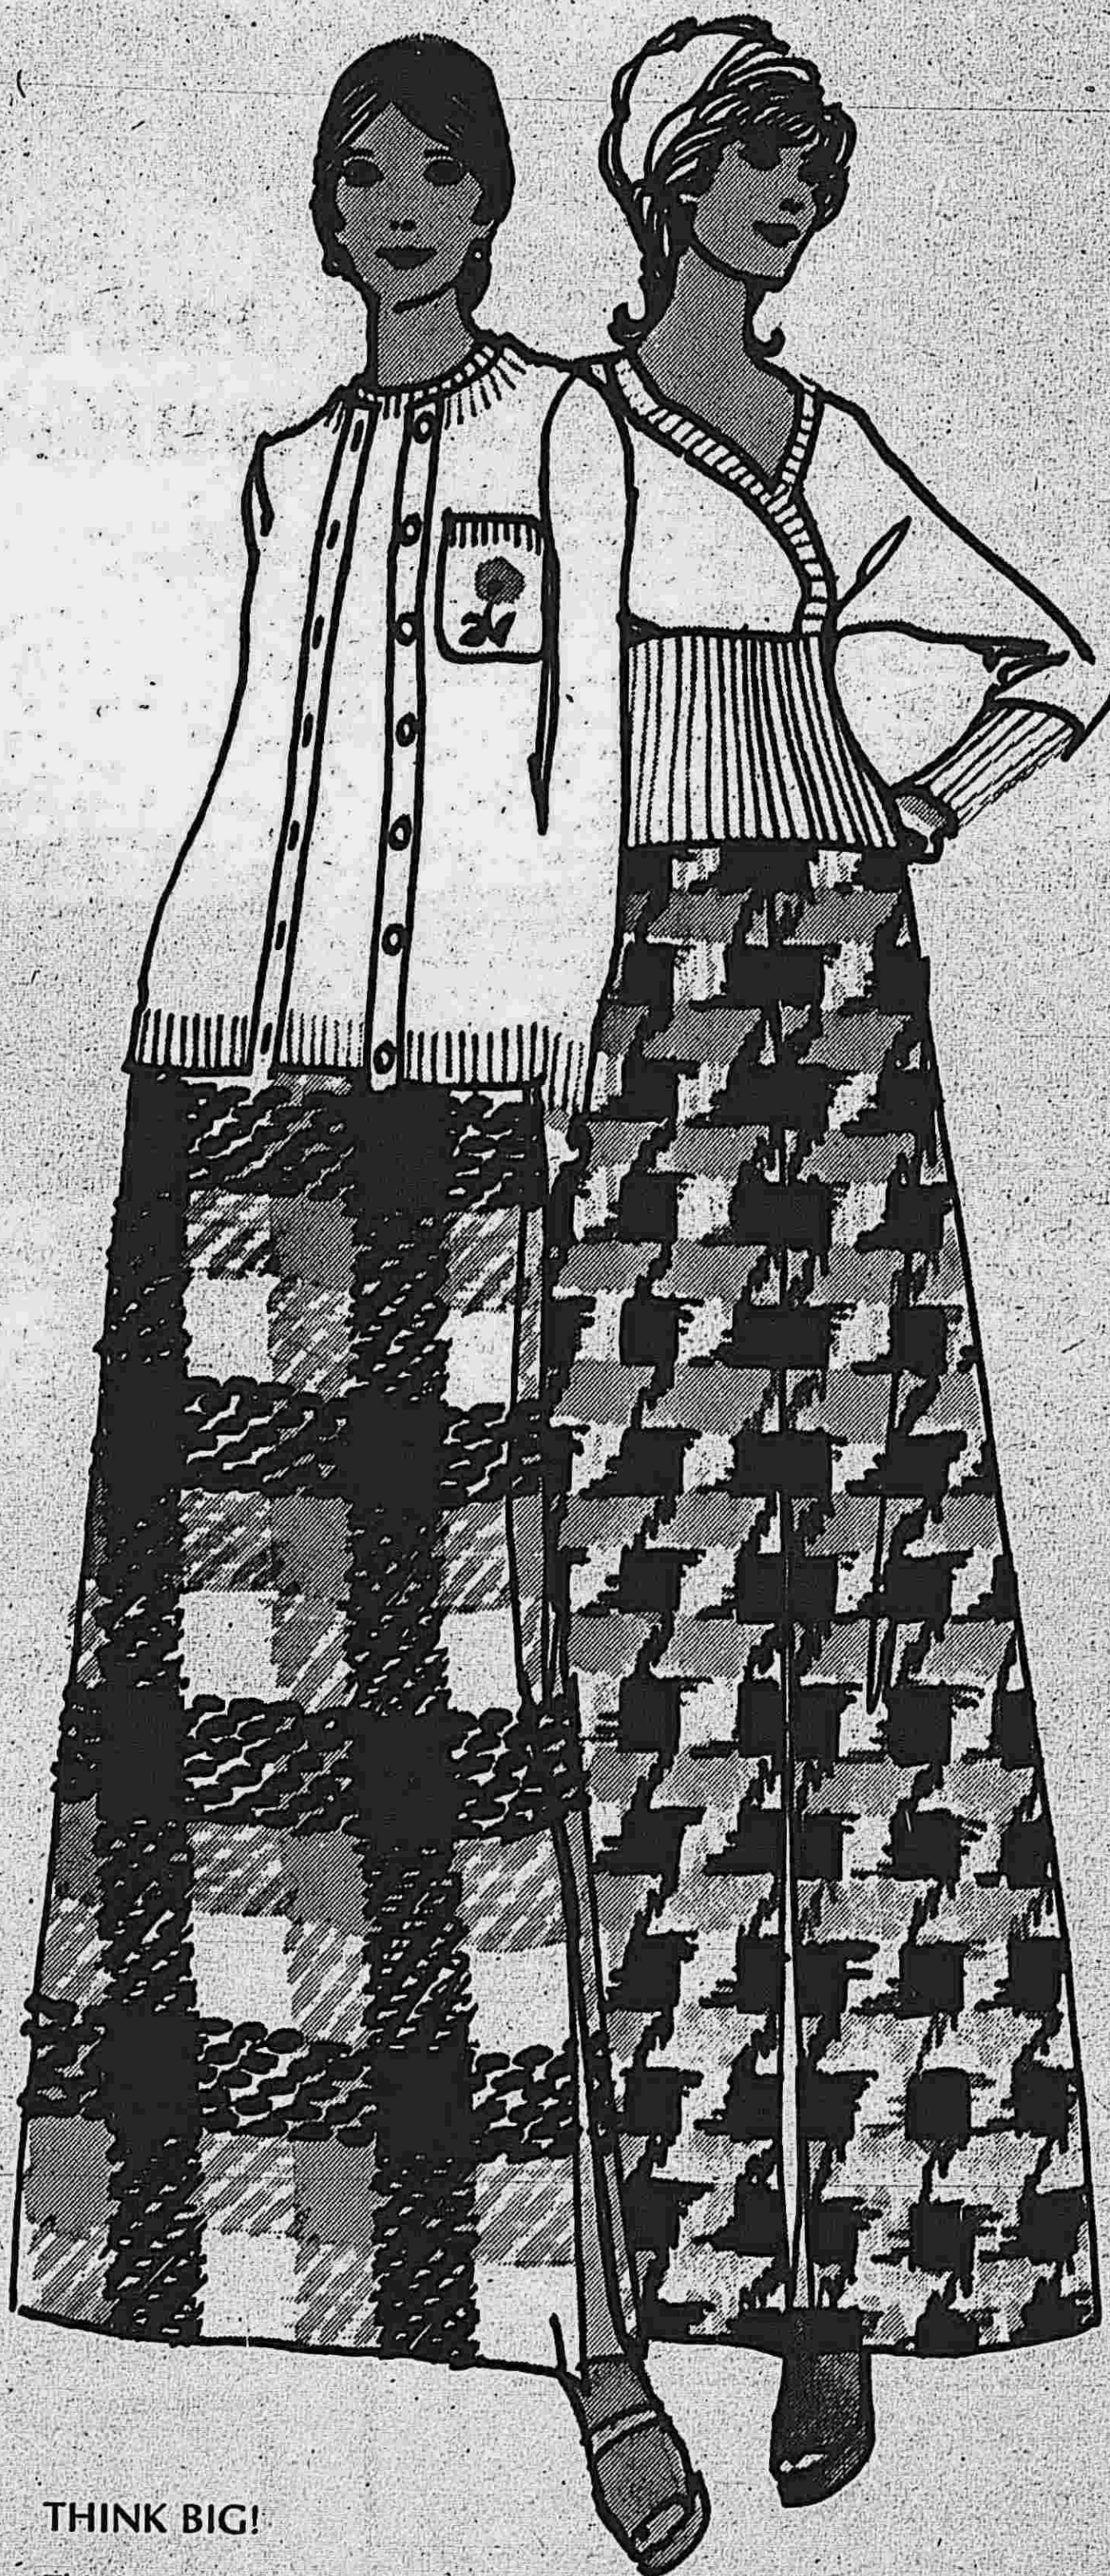

The Adventurers plan to go carolling in Sequoit Terrace in December and ice skating on Antioch Lake.

Officers are: Mascot: Beth Dubek; President-Bill Dubek; Vice President-Bill corey; Secretary-Susan Mueter; Treasurer-Violet Mueter; Sargeant At Arms-Karen Kirsche; Reporter-Laura Dubek; Historian-Kelly Corey. We also have Linda Lagerstrom, Dave Lagerstrom, Doris and Silvia Mueter, Bob Dubek and Terry Corey as members.

CLEVER CLOVERS CELEBRATE YULETIME

The Clever Clovers 4-H Club will take time from their club activities to celebrate their favorite season. Refreshments, games, and a gift exchange are the expectations of each Clever Clover at their annual Christmas party on December 7. The members of the club have been busy with their demonstrations at the weekly project meetings. On Sunday, December 3, the Clever Clovers donated festive cookies and assisted serving punch during the "Coffee Hour" at the United Methodist Church.

FOR THE HOLIDAYS

THINK BIG!

This is no season for shy little shrinking violets... patterns are big and bold! Skirts are long and dramatic! These two prime examples are yours in sizes 8-18, in black, iris, lemon or apricoral. (58% mohair, 17% cotton, 17% acrylic, 8% nylon) Houndstooth, Blanket plaid, Soft and low surplice sweater, Flower patch-pocketed cardigan, Coordinate short sleeved crewneck, (75% acrylic, 25% mohair)

GIVE THE KIDS A CHANCE

A child's lot in life is sometimes not as easy as most of the adult population tends to think. A child is forced to cope with new situations almost on a daily basis, he is continuously growing and changing. Usually a child is capable, both physically and mentally to face his environment which often grows more complex with the start of every new day. But, unfortunately a child is often handicapped in a variety of different ways. A child may be partially sighted or blind, he may have very poor hearing or be totally deaf, he may have a physical handicap as well as a mental handicap, he may have a learning disability or he may be emotionally disturbed.

Antioch has 28 children that are afflicted with such handicaps. But, how does the Antioch School system include these children? They do it through a program called SEDOL, which stands for Special Education District of Lake County.

SEDOL was established back in 1960 and it is a cooperative program that includes most of the schools in Lake County, excluding the Waukegan schools and several other large districts.

The SEDOL cooperative was established by the district itself, to take care of the special educational needs of all of its students. For instance district 34 has two children that are hard of hearing and one that is partially sighted. Our schools alone could not provide the proper teachers and materials that are needed for these children, but the schools in Lake County jointly can provide such a service by grouping these kids together.

SEDOL is mainly housed at the Doby Estate, which is just south of Route 45 on Route 132. However, part of the SEDOL contract stipulates that we will

furnish our quota of rooms for these classes, this is also in compliance with State regulations which stipulate that all classes, except the trainable mentally handicapped must be

held in a school with other classes.

The Antioch grade school system has two SEDOL classes, one in the Upper Grade School and one in the Antioch Grade School on Main Street. These

two classes are both for the emotionally disturbed children.

There has been some opposition about these two classes for the emotionally disturbed. Some feel that because the majority of these children are not from Antioch, they should not be in our schools. Why should residents be paying taxes to support these children from other areas?

What most of these opposing parents do not understand is that Antioch has twenty-eight students in the SEDOL program that are interspersed in various schools throughout the County. All of these children are receiving an education that Antioch alone could never singularly provide or hope to sustain. It is only through a cooperative effort that the sufficient amount of special education can be applied.

More opposition appears on the scene regarding the classes, because some feel that the emotionally disturbed child should not be within our schools.

In this case it is very possible that many do not understand that these kids for the most part, who are defined as emotionally disturbed, have better than average intelligence. In most cases the cause of this emotional disturbance is not known and is often only a temporary condition. Having these kids right in the contemporary school system can facilitate moving them

back into the mainstream of society. Occasionally, there is an emotionally disturbed child whose condition steadily deteriorates and eventually if this is the case, the child will be excluded by the public school program. However, such action is taken reluctantly, because at that point there is little left for the child aside of being institutionalized.

SEDOL on the whole should

be commended for their efforts and for the special education that it is providing throughout the County.

As Mrs. Mary Chase, who brought the issue to the paper's attention said, "These children have a right to live a regular life, and we should give them all the help and support that we can to enable them to do just that."

PM&L'S

CINDRELLA PLAYS TO PACKED HOUSE

Christmas includes many traditional things and in Antioch it has become traditional things and in Antioch it has become traditional for PM & L to present a Christmas children's play this year it is the ever favorite, Cinderella.

Two packed houses of eager children saw Cinderella when it was sponsored by the Chamber of Commerce two weeks ago. Now on December 10 at 7:30 p.m. it is open to the public both young and old. Prices are \$.75 for children, \$1.25 for adults, and a special price of \$1.00 for adults accompanied by their children. Call 395-9702 for reservations.

This adaptation of Cinderella was written and directed by Nancy J. Bell from Waukegan, a newcomer to PM & L, but by no means a newcomer to the theatre, and especially children's theatre for the Waukegan

IT'S THAT TIME AGAIN - and 4 year - old Brett Jandula of Antioch is obviously enjoying his visit with Santa Claus at the State Bank of Antioch. Attractive framed pictures are being taken, free of charge, of all children who come to see Santa at the bank on Saturday, December 9 from 9 a.m. to noon and 1 to 3 p.m. and Saturday, December 16 from 9 a.m. to noon. Brett is the son of Mr. and Mrs. Ken Jandula, 218 Maplewood, Antioch.

Park District and she is currently appearing in a children's production for Theatre First in Chicago.

The basic story of Cinderella remains the same, but the audience will have many laughs

and surprises. Rita Rosel is the lovely cinderella and Carter Bell is the Handsome Prince. The mean, nagging stepmother is played by Aileen Biel along with her selfish, bratty daughters, Ricky Apostol and Susan allen. Donald Beveroth plays the regal King and Sandy Vasey and Lyn Zaehler play the other "lovelies" of the kingdom. Benjie Bell plays the page and Nanci Eberman is the beautiful fairy godmother. Oh yes, the cast is complete with a live pussy cat.

Special performances of Cinderella will be given earlier on December 10 for SEDOL and

the girl scouts of Wildwood.

Since seating is limited for the evening performance, be sure to call for your reservations now!

DORMITORY CLASSES IN U OF I

Some classes for 204 freshmen in the University of Illinois at Urbana-Champaign begin on the ground floor of their dormitory and continue for hours beyond the usual 50 minute period.

The students are in Unit I, an experimental academic community of seven faculty members, five counselors, 204 freshmen and 98 sophomores housed on the first three floors

Obituaries

MR. WALKER M. CURNES - 81 years old of 238 Monceaux Road - West Palm Beach, Florida passed away at his home on Thursday, November 30th from a heart ailment. He was born September 6, 1891 in Liberty Center, Iowa and had lived at Osceola, Iowa before moving to Chicago in 1912, then to Maywood in 1925, and to Antioch in 1943 but had spent his summers since 1935. He graduated from Drake University at Des Moines, Iowa. He had been a broker on the Chicago Board of Trade for many years, and had owned and operated the "Walker Paper Products Co." until 1943. He married Miss Anita E. Medlinger on June 9, 1945 at Antioch. He was preceded in death by his first wife Alice Jordon Curnes in 1940, and by 3 grandchildren.

Survivors are his wife Anita - 3 sons Harry J. Curnes (Naperville, Ill.) Thomas W. Curnes (H. Gordon) Molgard (Antioch) - Mrs. Mary Fries (Antioch) 15 grandchildren and 6 great grandchildren.

Funeral services were held on Monday at the Strang Funeral Home in Antioch Rev. Eugene Keusal of St. Peters Church officiated. Interment was in Mt. Carmel Cemetery at Hillside Illinois.

MRS. BLANCHE A. HORTON 60 years old of 621 Prospect St. DeKalb, Ill. passed away on Wednesday, November 29th in her home. She was born Feb. 10, 1912 in Crown Point, Indiana, and had resided in Cedar Lake, Ind., Rock Island, Ill. then to Antioch in 1944, and to DeKalb in 1968. She was a member of St. Mary's Church in DeKalb and the Antioch Women of the Moose Lodge. She had been employed as a clerk for Montgomery Ward and Co. in DeKalb and previously at Jaynes Dress Shop in Antioch. She married William W. Horton on April 10, 1937 in Crown Point, Indiana and he preceded her in death on Dec. 27, 1970.

Survivors are 1 daughter Mrs. Judith Oderkirk (Burlington, Wisc.) 1 son John W. Horton (Chicago, 2 brothers, 2 sisters and 4 grandchildren.

A funeral mass was held at 10:00 a.m. Saturday at St. Peters church in Antioch. Interment was in Mt. Carmel Cemetery at Antioch.

ANTIOCH HILLSIDE CEMETERY ASSOCIATION

The Antioch Hillside Cemetery Association held its Annual meeting the evening of November 28, 1972 at 7:00 P.M. at the Strang Funeral Home. The following Slate of Officers will serve for the ensuing year: George W. Bartlett, President, Fred O. Hawkins, Vice President, Vera L. Horton, Secretary, Wm. E. Brook, Treasurer, Trustees: Fred O. Hawkins, Chairman, Fern Lux Watson, Joseph E. Horton, Arthur Laursen, Robert J. Wilton, and Robert Horton.

Mrs. Gladys Davis Eisenhut of Perris, California - the daughter of the late Mr. & Mrs. Tracy Davis, passed away Nov. 17, 1972; the Davis Family were former Antioch residents.

JEHOVAH WITNESS CONVENTION

"A spiritual feast" is the way Mr. Ralph Dowell, presiding minister of the Spring Grove Congregation of Jehovah's Witnesses in Spring Grove described their two-day circuit convention to be held for eleven area congregations, including many individuals from our local community.

The over 1,000 delegates will meet December 16 and 17 at the Chicago Assembly Hall of Jehovah's Witnesses, 79th and Ashland beginning at 9:00 a.m. Saturday morning and continuing through 4:30 p.m. Sunday afternoon.

Why described as a feast? Mr. Dowell explained, "Where else could so many Christian people find two days packed solid with nourishing spiritual benefits? Here will be a special opportunity for all to improve their Bible-study methods and ministerial activities in the community. We look forward also to increasing our faith and appreciation for God's Word the Bible as it forms the basis for all portions of the program."

Preparations for the convention will include a special effort to invite all in the community to attend free of charge with the goal of stimulating interest in further Bible study. Of unusual interest is the assembly's highpoint, a one-hour public address at 2:00 p.m., Sunday afternoon, "Is This Life All There Is?" To care for the large crowd expected the convention administration has arranged for cafeteria and refreshment facilities at a nominal cost to those in attendance.

TAX RELIEF FOR SENIOR CITIZENS

Antioch, like every city, is blessed with a good portion of senior citizens. Citizens, who for the most part have lived in Antioch most of their lives and in their own ways have helped this city grow to its present size and state. A great many of them have also probably attended Antioch High School too.

Although these senior citizens have undoubtedly already done their part, many are still calling on them for help, help in the form of support of the upcoming high school referendum. Many of these people would like to give thier support and would give it readily if it was not for the financial dilemma that many retired people are faced with. Pensions, retirement money and social security will only go so far.

However, the high school has pointed out that there will be tax relief for citizen's and has been passing around the following information:

1. "Persons age 65 and older have been granted a \$1,500.00 Homestead Exemption. Under this law, the assessor deducts \$1,500.00 from the Assessed Valuation of an elderly taxpayer's real estate base. If the

taxpayer lives in Antioch township, for example, where the total tax rate is \$6.16-\$100.00 Assessed Valuation, the reduction on his tax bill would be \$92.40 per year.

2. The Senior Citizens Property Tax Relief Act provides that the state will pay up to \$300.00 on that part of a property tax bill that exceeds 6 percent of household income up to \$3,000.00 per year, plus 7 percent for income between \$3,000.00 and \$10,000. The maximum grant will be \$500.00 with a \$5.00 reduction for each \$100.00 of household income.

For those who rent, and are over 65 or disabled, there would be a formula of aid based on the assumption that 25 percent of rent payments are attributable to property taxes (Senate Bill 1363).

House Bill 4218 provides a standard deduction of \$5,000.00 from the Assessed Valuation of personal property is allowed for every taxpayer in the state.

House Bill 3776 exempts from taxation the following classes of personal property: personal property used for farming, household furniture and one automobile."

DALE NEEDS YOUR HELP

Dale Chase is only nine years old. And for a little boy he is faced with a serious problem. He owes 140 pints of blood to the Children's Memorial Hospital in Chicago. You see Dale has a disease that is known as hemophilia, which causes profuse and uncontrollable bleeding even from slight wounds.

Dale is the son of Mr. and Mrs. David Chase of Lake Villa, Illinois formerly of Antioch.

He is not only 140 pints

behind, but he will probably require that much more blood in the future. Recognizing Dale's plight, the Prince of Peace Mother's Club, Brownie Troop 126, and Junior Girl Scout Troop 216 have organized a blood drive in Dale's behalf.

The Drive will be held at the Prince of Peace Church on December 17th from 8:00 a.m. until 2:00 p.m. The Chicago Blood Donor Service Incorporated, which is a professional, non-profit organization will be working in conjunction with the sponsoring groups. Since the group is a non-profit organization, Dale will receive full credit for each pint that is given.

Have a heart and call 356-3141 for an appointment to help Dale.

CENSUS BUREAU TO TAKE SURVEY ON EMPLOYMENT SITUATION HERE

During the week of December 11 - 15, the U.S. Bureau of the Census will conduct its regular monthly survey in this area on employment and unemployment, according to Forrest P. Cawley, Jr., Director of the Bureau's Data Collection Center in Chicago. This month, the survey will include questions about any farm work done for pay.

Local households in the survey are part of the 50,000 across the country that have been scientifically selected to represent a cross section of all households.

The survey is taken by the Bureau for the U.S. Department of Labor. It provides monthly information on conditions in the labor force, prime indicator of the economic health of the Nation. The October survey showed that employment was continuing its steady rise which began in 1971, while the unemployment was continuing its steady rise which began in 1971, while the unemployment rate of 5.5 percent was at about the same level as in the previous four months.

Information supplied by individuals participating in the survey is confidential and results are used only to compile statistical totals.

CHAMBER PAYS PRESIDENTS TRIBUTE

On Tuesday, November 28th, the Lake County's Second Annual Chamber of Commerces Evening, was held, in which 17 area men were given tribute. All of these 17 men are volunteer workers, and this a special night that was set aside to thank them for their work over the year as they have helped their community to grow and prosper. The men that were honored were: Hilliard Tobieski of Antioch, Dean Paulson, Barrington, Francis Carr,

Deerfield, Francis Schnoor, Fox Lake, Lewis Luckey, Grayslake, Robert Sheridan, Gurnee, Jack Walsh, Highland Park, Mark Hout, Highwood, Nicholas Michaels, Lake Bluff, Kenneth Walker, Lake Forest, Frank Grasso, Lake Zurich, William Osborn, Libertyville, Frederick Lysett, Mundelein, Homer Fowles, Round Lake Area, Leonard Deasey, Wau-

conda, Harold Callahan, Waukegan-North Chicago, William Stevens, Zion Winthrop Harbor Beach Park.

The Introduction of the Chamber Presidents was given by the honorable Robert Sabonjian, Mayor of Waukegan. Kent Parcell, who is manager of the Community Development Department of the Illinois State Chamber of Commerce, was the special guest speaker. Stephen Klein, Legal advisor of the Illinois Pollution Control Board,

also addressed the group. Some one hundred people gathered together that night to honor these 17 men. The dinner was held at the Antioch Country Club. The Club really out did themselves as they served Chicken Cordon Bleu, Rice Pilaff, Green Beans Almondine, that was topped off with flaming baked alaska. The dinner was thoroughly enjoyed by all and the Chamber would like to pay the Club a special compliment on their thoroughly delicious dinner.

BEFORE

WEIGHTY MEETING SCHEDULED

When you think about apple pie, baked potatoes with sour cream, potato chips with lushy dips, budweiser, and multitudes of other tantalizing items, it is no wonder that a great number of us suffer an almost universal problem that is known as fat.

Most of us would like to be a shadow of our present self, but everywhere we go calories are eagerly waiting for us. How can we fight these beastly calories? Easy, join the Wonder Weight Losers of Illinois.

On Tuesday, December 12th, the Wonder Weight Losers class in Antioch will have a special

guest. Her name is Mrs. Connie DeStefano of Elmhurst. Mrs. DeStefano's claim to fame is that she has lost 110 pounds through the wonder Weight program. She had to squeeze herself into a size 40 wedding dress and now proudly wears a size 12.

The Wonder Weight classes are held every Tuesday morning in the First United Methodist Church, 848 Main Street, Antioch at 9:30 a.m. All are invited to come and see Mrs. DeStefano and hear her remarkable story.

AFTER

COMMERCIAL DESIGN COURSE AT CLC

The College of Lake County is offering a course in commercial design with emphasis placed on creative problem-solving. The course is open to any individual interested in developing skills in a variety of phases of commercial design, including layout, finished art, 35 mm slide presentations, calligraphy, typography and silk screening.

The goal of the course is to present students with problems which would be encountered in a typical studio situation.

Malcolm Layson, who has had over eighteen years of experience in the design field is instructor. The ideas he transmits to the student are derived from his own professional competence as a practitioner of the visual arts.

The 16-week, non-credit course will begin on Thursday, January 25. Classes will meet at CLC every Thursday from 6:45 to 9:45 p.m. The course is listed by the College at ART 132 and the tuition is \$19.50.

Social Notes

by: Del Jahneke

Just a reminder that this Saturday (December 9th) will be that special combination Rummage and Home Baked Goods Sale at the Grass Lake School gym, from 9:00 a.m. to 5:00 p.m. It is sponsored by the Grass Lake School PTA and they promise you, the customer, many lovely surprises and some fine bargains. **BE SURE TO GO NOW!**

Our sincere sympathy goes to Mrs. Walter Buchert and her son, Obert LaVernway, Lake Catherine, in the sudden death of her brother-in-law, Mr. Floyd Radlein of McHenry, On Monday, November 27th. His widow is Lorna Buchert's sister.

The George Jahneke's of Westminster, California visited their daughter and grandchildren in Orlando, Florida; then made a "slight detour" on their return trip to drop in on the senior Ed Jahneke's, Beach Grove, last Tuesday. The two bothers hadn't seen each other for over three years.

Some sixty members and friends of the Antioch Evangelical Free Church thoroughly enjoyed their "travel and then eat" as they progressed through their six course "Progressive Dinner" last Saturday evening. Good food and good fellowship made it a most pleasant occasion for all who attended!

EDWARD J. KOZIOL

Marine Pvt. Edward J. Koziol, son of Mr. and Mrs. Edward J. Koziol of Route 4, Antioch, Ill., graduated from basic training at the Marine Corps Recruit Depot in San Diego.

VALERIE STROM STUDENT TEACHING

Valerie K. Strom, a senior at Augustana College, Rock Island, is a student teacher during the winter quarter at United Township High School, north campus, East Moline. She is teaching English and is gaining practical experience for a teaching career, working under the supervision of a professional teacher.

Miss Strom is a daughter of Mr. and Mrs. Gustav L. Strom, 495 Winsor Drive, Antioch.

ira looks forward to new year

The single word, "different" best describes the outlook for stock car auto racing for the super modifieds and sportsman stock cars of the Interstates Racing Association for 1973. In 1972, the four years of highly successful competition and high purses was broken as the group recorded purses of just over \$50,000.00 at the Kenosha county Speedway in 1972 as compared to the record high of nearly \$63,000.00 in 1971.

This coming year members expect things to be different and they will be according to events that have already taken place.

Starting with the departure again of IRA Champion Johnny Reimer from the IRA modified competition, to the desire of the members to expand their dates and tracks over a wider area in 1973, things will be different.

Johnny Reimer, who swept track and overall titles on the IRA super circuit in 1972 has once again resigned from modified stock car competition to devote full time to late model stock car racing. Reimer says he does not expect to ever again drive a modified stock car. In 1969 he resigned and was replaced by Whitey Harris, Lake Villa in the Fred Nielsen cars who went on to earn the IRA

track and overall championships. Harris will again take over the Nielsen cars in 1973. Other drivers were considered by Nielsen but the ability of Harris and his knowledge of modified stock car handling were factors in his favor.

Other factors adding to the different year outlook for 1973 will be the new track at the Kenosha County Fairgrounds. This track was to have been completed for 1972 racing but a wet season prevented work and the entire season was run on the old track which is now property owned by the High School. At the recent IRA Banquet, held on Saturday November 18, at the Illinois Beach Lodge in Zion, Jack Schuner of the Fair Association, assured the group that the new track would be ready for the 1973 season of racing.

Other dates for the IRA Super Modifieds in 1973 have already been completed or will be soon completed at the Santa Fe Speedway in Willow Springs, Capital Speedway in Oregon, Grundy County Speedway in Morris, Rockford Speedway and the Sycamore Speedway. There is also the possibility of at least one IRA Super Modified date at the Hales Corners Speedway on

July 6, 1973. Negotiations will continue for dates at the Beaver Dam Speedway and the Lake Geneva Raceway. However, the majority of the car owners and drivers are not in favor of weekly racing at Lake Geneva in 1973 under the same arrangements as existed in 1972.

The new IRA rookies of 1973 will be trying hard to equal the impressive performance of the 1972 group which was headed by Rookie of the Year Drivers Stan Horton of Antioch, and Duke Norton, McHenry. Horton received his surprise award at the banquet from Joe Rush of the Antioch News. In addition to the top 20 drivers who received trophies and point fund checks totaling over \$8,000.00 at the banquet, special awards were made to several drivers.

Whitey Harris received the fan voted award of "Most Popular Modified Driver" from Dan O'Shea, Sports Editor of the News Sun of Waukegan. Sid Norton received the similar award from Jack Biddison for the sportsman driver group. Jim Moulis and Duke Norton received awards from most popular rookie drivers and Ron Marish, Milwaukee received the modified

BITS AND PIECES

By: Taffy Engelhardt

Since the day after Thanksgiving, the air of Christmas began to take hold. Stores begin to stay open longer hours for shoppers, the streets are filled with Christmas carols, and children begin making their infinite lists for Santa. Religiously speaking, the Advent Season has just begun. Everyone loves Christmastime...or do they? I've heard many comments that Christmas is too commercialized, and that the REAL meaning of Christmas has been long forgotten. Do YOU think so? I'd like your comments on this. Please write a few words giving your opinion and send it to:

Taffy Engelhardt
Rte 2 Box 387
Antioch, Ill 60002

The Antioch Sequoits have really started off their basketball and wrestling seasons great. Last weekend the Sequoits showed their strength through their four victories. Let's keep up this winning streak. We've got great potential this year and most of us feel that both our wrestlers and basketball team will be on top this season. Our best wishes to Andy Feldman. We hope he is feeling better and we wish him a speedy recovery.

A request has been made to remind everyone that you should stay seated and quiet during the presentation of the colors and Pledge of Allegiance at the Basketball Games. It is very disrespectful to yourself and the flag when much commotion takes place. Your co-operation will be appreciated.

Last week, voting took place for the Senior Outstanding Boy and Girl. The results are yet to be known.

Mrs. Wapon's family living class just completed their study on natural childbirth. Most of the students were very interested and enthused, as it is something new to them. They saw a special movie entitled "The Story of Eric" in which the actual birth was shown. It was an excellent movie. Also, they listened to three guest speakers, Mrs. Larson (a former ACHS speech teacher), Mrs. Seeman and Mrs. Getselment, all three have had natural childbirth. They also spoke on breast feeding. Of course they were all very convinced, since they had chosen this route. Anyway, their opinions and information were very educational and appreciated.

Mr. Corrigan's Senior English Class went to see "Space Odyssey" last week and spoke of it's many symbolic traits the following day.

We'd like to see a lot (at least 3 busses) of spectators at our big game Friday night against our traditional RIVAL, Grant.

Next week, a poll will be

"SEQUOIT HAPPENINGS"

taken in which the students will reveal their personal feelings concerning the approaching referendum and how it's earlier failure has affected them, personally.

Sunday, December 3rd, Mr. Brooke's Madrigal Singers (Swing Choir) performed at a banquet at St. Mark's Lutheran Church in Lindenhurst. They also were guest at the delicious dinner which was celebrating the beginning of the Advent season.

Don't forget to read next week's Referendum-Special - in the student's eye.

ANTIOCH BASKETBALL

First Place 1971

Second Place 1972

Back On Top In 1973

The Antioch Sequoit's Basketball team looks in fine shape as we head into the 1972-73 season. The Sequoits, who were 17-11 last year with a 10-4 second place conference finish, have three returning starters - an all stater, Tim Mieure, along with Mark Andrews and Fred Popp.

The Sequoits two main problems are inexperience and lack of height. Inexperience is one problem the Sequoits can overcome by getting playing time, but lack of height can only be overcome by hard work and a lot of sweat from the players.

The Antioch basketball staff and players are definitely looking for a conference championship and if they play up to their capabilities, the conference championship is all but in the palm of our hands.

Shayne Shroeder

"REPORT ON ACHS"

Is ACHS a good school? Opinions vary, but I think that most of the student body is of the disposition that it is pretty good.

Having just moved into the state this summer, I think I'm qualified to make an impartial assessment of the feelings of the students toward the school.

After having half a semester to observe the students and the school, I can see that the spirit is average, not as high as it should be (at least on the part of the seniors), but that possibly it'll increase as we move into '73.

The school itself appears to be broke, what with it not being able to buy needed equipment, but it is still in better condition than the one I attended in Florida, which was on double session and had six portable classrooms cluttering the grounds.

Considering the advantage and disadvantages, I think that ACHS is a really great school.

DUCK HUNTING FEVER

October 28 marked the opening of the 1972 duck hunting season. The legal shooting time began at 7:23 a.m. The Chain O Lakes area has always provided ample duck hunting, but with the weather as it's been in Canada, the fall migration hasn't quite reached Northern Illinois yet.

This means that most of the hunting pressure will be on all of the local ducks. The main variety in the area is mallards.

Followed by wood ducks, pintail, some teal, and, of course, the divers.

Although I always get impatient for opening day, this year seemed different. I felt more confident, thus being much more patient for my limit of ducks. As everybody knows, the only thing the rain we had this year was supposedly good for ducks, not duck hunters. We usually hunt in a small pothole not more than a mile from our home. We hadn't been back there since last hunting season and were sure that it would be full of water. Having our hopes up, my dad and I walked quietly back to the pond in the early twilight hours. Looking at the ground most of the time to avoid stepping on any crisp leaves, I suddenly glanced up and saw a young hen pheasant standing on the outskirts of our pond. Immediately sensing danger, it exploded in a definite hurry into a nearby field. This raised our adrenaline even high as we walked closer and closer.

As we reached our destination, we made sure there weren't any unsuspecting mallards in the pond. Unfortunately there weren't but we were amazed at how much water there was. This plus the fact that the willows, which totally surround the pond, had grown to a great height made getting a clear shot at a duck almost impossible. We did stick it out there until we thought that the ducks had stopped flying until evening.

Even though the hunting part of the trip was definitely out of the picture, the wildlife portion captured our attention completely. As I mentioned earlier, near the pond we had seen two ducks fly just over the pond. Approaching closer, we saw two huge crows take off from the overhanging willows. After getting settled in our blind, five minutes elapsed before we suddenly thought we were in a huge blind, five minutes elapsed before we suddenly thought we were in a huge aviary. Birds were all around us. There were juncos flitting above our heads and thipping sparrows, being brave and almost landing on the barrels of our guns. Then there was the regal cardinal. A red which is unmistakable against the brown leaves. His mate was equally beautiful with a beak to match the red of the male bird. They almost seemed mad at us for being there, flying back and forth over our heads and talking in their high pitched voices. For no apparent reason, I suddenly turned around and saw a red tailed hawk sitting on a fence post not more than 50 yards away. As I pointed at it to show my dad, it quickly set sail after menacing rodents. Turning around and getting our attention back on the surroundings, we saw robins and red-winged blackbirds fighting over territory. Seeing a dark object in the corner of my eye, I turned slowly and saw a mourning dove resting on a fallen limb. I told my dad to move slowly out into the open for a clear shot. He did this but the dove jumped too soon. He did get a shot off, but the dove, being such a ticky target, escaped harm.

Convinced that the duck hunting wasn't where we were, we decided to walk to a pond approximately 200 yards away. Leaving this nature's paradise for birds, we didn't dream we would be walking into another aviary. There was an eight foot

path cut and we used this the entire way to the pond. Stopping at the side of a gravel road, we looked down on a good sized pond about 400 yards away. There in his regal majesty, with servants around him, was a white trumpeter swan. The white on a blur background made the bird seem huge. Having been put on the endangered species list just a few years back, the swans are on a comeback. Normally I couldn't tell a swan from a snow goose, but this occasion was different. For the last three years, these trumpeter swans have returned to this area. I say swans because there have been three in the past. The servants I spoke of that surrounded the swan, were large diving ducks, possibly canvasbacks. This in my mind was the highlight of the day.

Trudging along, we turned the corner of the path and saw a huge cock pheasant run across. The spectacular colors on the bird are too numerous to mention, and can only be appreciated by seeing one yourself. After reaching the pond we were headed for, we concluded that the day had already been exciting and worthwhile without even firing a shot. Walking back in the 50 degree fall weather with wildlife humming around you cannot be explained.

I wouldn't know what to do this time of year if I didn't have duck hunting fever!

THE SEWER
957 VICTORIA ANTIOCH PANTS & MORE LTD.

(Week of December 8-14)

ARIES (Mar. 21-Apr. 20): Take care and avoid if possible transactions involving joint finances. Your ruling planet Mars in conjunction with Venus could adversely affect money matters, perhaps involving a will or legacy. Tuesday is a day to be cautious, but business cycle should improve later in the week.

TAURUS (Apr. 21-May 20): A time for romance, but beware of dispute with partner. Social events could be the key to a new association involving someone you want to know better. Watch your grooming. Weekend is fine for shopping, gift buying.

GEMINI (May 21-June 21): Don't be a hermit or sulk because someone who interests you looks elsewhere. Stars very favorable for forming new romantic attachment. Stick to routine at work and avoid disagreement with co-workers. This is a week for new beginnings and a sour attitude could spoil things.

CANCER (June 22-July 21): The holiday season is a time for forgiveness. Make up with mate if you've had a misunderstanding. Period Saturday through Monday is excellent for shopping. Postpone any important decisions involving work until after Tuesday when signs are more favorable for achieving a long-felt desire.

LEO (July 22-Aug. 22): The whole week is an extremely favorable period for those born under your sign. Health should be good and you can make a hit with children with a joyous pre-holiday mood. Financial aspects are excellent. A windfall may be in the offing.

VIRGO (Aug. 23-Sept. 22): Take care in business, especially transactions involving business. What appears to be a bargain may turn out poorly. Although you may be restive, this is not a week to seek a change at work or in career matters. Wait until signs are more favorable.

LIBRA (Sept. 23-Oct. 22): Not a time to splurge. Venus is in your house of finances, indicating caution in financial matters, particularly Monday. Later in the week, social activity could tempt you. Be sure to avoid over-extending yourself and get plenty of rest.

SCORPIO (Oct. 23-Nov. 22): Companionship is the guideline this weekend, a good time to take loved one out for an evening on the town. Your personality is turned on to romance. Work may be tiresome during week, but stick to routine and avoid day-dreaming. Superiors may be watching your performance.

SAGITARIUS (Nov. 23-Dec. 21): An excellent period for financial dealings. If you've been postponing holiday shopping, now's the time to get it done. Active social period could be beginning mid-part of week. Accept all holiday invitations and forget about cares.

CAPRICORN (Dec. 22-Jan. 20): Health problems could be bothersome Friday and Saturday. Be especially careful if traveling. Later in the week, signs are better aspected for decisions involving work, creative projects. You can impress co-workers with your energy and initiative.

AQUARIUS (Jan. 21-Feb. 18): Social activity will rule your calendar most of week. An excellent time for long journeys, perhaps in connection with pre-holiday visits with relatives or friends. Health and energy should be at a peak.

PISCES (Feb. 19-March 20): You may be tempted to make a major change in your life, perhaps through a new job or professional opportunity. Be sure to investigate all aspects. An opportunity that appears to be favorable may not work out. Reserve weekend for social activities and complete any left-over projects at work early in the week.

With a Stern Eye

In the same spirit that doctor approaches the medical seminar, a politician savors the Chamber of Commerce dinner. From such a gathering does he (she) enlarge his knowledge and make appropriate contacts for getting ahead. And those of us whose jobs were not on the line in November 1972 are beginning to sniff the air for portents of 1974.

Thus, slightly tarnished and somewhat ruffled, from a day at my desk, I appeared last week at the Antioch Country Club for the 'Presidents' Dinner'—an occasion that evening honoring the presidents of all Chambers of Commerce (frequently referred to as Chamber of Commerces).

The 'Attitude Adjustment' hour was half way through when I arrived. I hung my coat on a rack, noticed Jack Hoogasian off to one side talking to someone, and then plunged without a backward glance into the bar. What would I have done if no one had—Well fortunately I will never know.

"There she is. There's Grace!" I was warmed by the friendly voice and even more by the great bear rug.

"Joe. Joe Molitor. How great!" I tried to do something about the lipstick I knew I had left on his shoulder, but he would have no part of it.

"Leave it alone, Grace. My wife is with me so it's all right." Mrs. Molitor smiled in greeting. "I often come home with lipstick all over my jacket, don't I?" And she, good woman, laughed and patted him lovingly on the knee.

Charlie Cermak and old Antioch friend, moved over and gave me a stool at the bar and even bought me a drink. One of the last vestiges of chivalry in this world of liberated women is the male horror registered when a woman travelling alone attempts to pay for her own drink. Charlie wouldn't hear of it. Joe was aghast. And although I tried to insist that fair was fair, I didn't have a chance.

Dinner was served shortly after 7:00 and I went into the dining room with the Molitors and some new (to me) friends from Commonwealth Edison. There was a fair amount of merriment when we discovered that Jack Hoogasian was only one seat away—just beyond Harold Phelan there. But Jack and I are pretty grown up these days and neither of us even hissed. On my left was Bill Schroeder, publisher of the Lakeland Newspapers in central and northwest Lake County.

After the chicken ("Is it Kiev?" asked someone behind me.) and the beans and the strawberry baked Alaska, the President of the host Chamber (Antioch) greeted us and made us welcome. The master of ceremonies turned out to be Bob

FREE IMMUNIZATION CLINIC SET IN LAKE COUNTY SCHOOLS

Free Clinics for vaccination against measles, Rubella, three day or German Measles) and Polio have been scheduled in Lake County schools December 12, 1972 and against Polio December 13, 1972. The clinics are being sponsored by the Lake County Medical Society, the Illinois Department of Public Health, Superintendent of Lake County Schools and the Lake County Health Department.

The measles and rubella vaccine is available to all school children through the age of 12 years. Any child who has not yet received Rubella vaccine should receive it at this clinic after following the precautions listed below. Any child who had measles vaccine prior to 1 year of age should receive measles

vaccine at the clinics. Because of a new combination vaccine, children can now be vaccinated against both measles and rubella with a single injection. Separate measles and rubella vaccines will be available for those children who have previously received one or the other.

All children through the age of 18 should receive at least four doses of trivalent oral polio vaccine. There should be an initial series of two doses at a six to eight week interval, one a year after the second and another two to three years later. The three doses of nonavalent oral polio vaccine given in the early sixties shall count as one dose of trivalent oral polio vaccine and the child should receive three additional doses of trivalent oral polio vaccine. Polio shots are not considered adequate protection against the disease unless additional boosters are received each year. Parents who are considering immunization of their children should observe the following precautions:

1) Children who are allergic to eggs, rabbits or neomycin should not receive these vaccines at the clinic.

2) Children being treated for a severe disease or those who have a fever on the day of the clinic should not receive these vaccines at the clinic.

3) No woman who could become pregnant in the next three months should receive the measles or rubella vaccine.

If your child is unable to receive the vaccine at the clinic or if you have any questions concerning your child's immunity status, consult your family physician.

The dates for the clinics are as follows: December 12, 1972 - all elementary school children may receive measles, rubella and polio vaccine. December 13, 1972, polio vaccine will be available to all high school children.

APPALOOSE HORSE SHOW

The Fourth Annual International Appaloose Horse Show will be held on December 8, 9 and 10. It will be held at the Blue Ribbon Complex at 4475 Lake Cook Road, Northbrook, Ill.

T. M. BOND CHAIRMAN OF CANCER CRUSADE IN LAKE COUNTY

Robert G. Biesel, Kenilworth, president, General American International and executive vice president and director, General American Transportation Corporation, has been named the 1973 chairman for the April Crusade of the American Cancer Society, Illinois Division, Inc.

In this top leadership post, Biesel will mobilize close to 80,000 volunteers - 30,000 in the Chicagoland area - in their statewide mission to reach as many residents as possible with the lifesaving message, while seeking a financial goal of \$3,875,000 for research, education and service. Biesel will travel throughout the state to a number of leadership and training meetings to strengthen the organization and work with key local leaders.

The 1973 Crusade leaflet, "The Annual Checkup" outlines the steps in a cancer checkup, including a list of the seven warning signals in a drive to reduce the tragic toll of 5,000 needless cancer deaths in Illinois alone last year.

A veteran volunteer leader with the Society's Chicago Unit and a well-known personality on both business and civic fronts, Biesel is a director and past president of the Hull House Association, the International

Trade Club and the Metropolitan Housing and Planning Council. He is chairman of the Committee on Courts and Justice and director of the National Conference of Christians and Jews and the Chicago Council on Foreign Relations.

Emerson Lyon, Winnetka, assistant to Biesel, will assist him as Crusade coordinator.

Mr. Biesel has appointed Mr. Thaddeus Bond assistant Vice President of Pioneer National Title Insurance Co., Lake County office as 1973 Chairman for Crusade in Lake County. Mr. Bond is well known in business circles in Lake County. This is his first volunteer experience with the American Cancer Society but he is already proving his leadership qualities. He led the Unit in a successful Bike-A-Thon which was held on October 28th. In excess of \$10,000 has been pledged. Mr. Bond is a resident of Waukegan. He is married and has three children. He is a graduate of DePaul University in law and holds a B.A. degree from DePaul also. He is a member of the Illinois Bar Association, Lake County Bar Association, Waukegan-Lake County Board of Realtors.

Mr. Bond has accepted a challenge goal of \$139,500 for Lake County.

WORMS

&

YOUR CAT

It is an unusual - and lucky - cat that is not afflicted at some time during his life by worms.

These potentially dangerous parasites come in five main varieties: Heartworms, Hookworms, Roundworms, Tapeworms and Whipworms.

And they are particularly common in young kittens who contract them from their mother who has not been properly cleared of worms before breeding.

Signs of worms include vomiting and diarrhea, lack of appetite or voracious appetite, listlessness, increasing stretch of the haw over the eyeball, potbelly and emaciation.

Roundworms may be noticed as flesh colored wiry strings expelled with the feces; tapeworms as individual flesh-colored segments shed continually in the feces. The cat's bedding can disclose dried tapeworm segments from time to time.

But whatever signs seem apparent to you, the only way to be certain is to bring a stool sample to your veterinarian. He can then determine if your cat has worms as well as what variety of worms it is.

Based on what he finds, your veterinarian will be able to prescribe the proper medication for your pet.

Various worm remedies are available at pet stores complete with directions. These commercial remedies are compounded for specific types of worms and thus an accurate diagnosis is needed first.

It should be remembered, however, that worm medicine is strong stuff that must be administered in the correct dosage and at the proper time.

There are, however, a number of things you can do to help prevent your cat from getting worms. Cleanliness is the key.

A cat's quarters should be immaculate. Out of doors, he should be kept on dry runways, or washed surfaces, such as concrete, which are exposed to sunlight as much as possible.

Shaded, moist earthy areas provide a particularly favorable environment, especially in warmer weather, for parasite eggs. By eliminating these conditions, your cat's potential for infection can be reduced.

Bear in mind that one worming cannot end infestation for all time. Periodic examination of the feces by your veterinarian is strongly recommended.

And leave this part of the health program to your veterinarian. It has been said, with considerable truth, that more cats have been laid low by careless worming than by worms.

GARDEN THEATRE BEING REVIVED

The Garden Theatre, once an extremely popular feature of The Chicago Flower and Garden Show, is being revived for presentation to the public at the 1973 Flower Show, McCormick Place, March 24-April 1. This series of horticultural programs which not only have provided colorful, educational enjoyment for Flower Show visitors, but also offered a pleasant rest for "Tired feet," will feature continuous showings of award-winning garden films from around the world, and lectures and demonstrations using plant materials in full foliage or bloom.

The Flower Show is offering, through its Manager, Robert P. Wintz, also Executive Director of the Chicago Horticultural

Society, an opportunity for garden clubs and floral societies to participate in this series of programs.

"The Garden Theatre," Wintz said, "was always an extremely popular feature with Flower Show visitors. Now with an expanded Show which will contain over 300,000 square feet - almost seven miles - of colorful gardens and displays of products and services to make gardening the pleasure it is to homeowners, a vastly enlarged Garden Theatre program is essential."

For information on participation in the Garden Theatre, groups should contact The Chicago Flower and Garden Show at 332-2868.

LAKE FOREST SYMPHONY CONCERT

The Lake Forest Symphony, under the direction of Victory Aitay, will present the second subscription concert, an All-Beethoven program on Friday, December 15, at the Drake Theater, Barat college, Westleigh and Sheridan Roads, Lake Forest.

The well-known Egmont Overture will open the program and will be followed by the Fifty Symphony. Jacob Lateiner, international Beethoven specialist, will be featured as soloist for the Piano concerto No. 4. Mr. Lateiner has performed as soloist with the Boston and Chicago Symphonies, the New York Philharmonic, the Cleveland Orchestra, the Minnesota Orchestra, and the Los Angeles Philharmonic. His European appearances include the Berlin Festival, the Berlin Philharmonic, concertgebouw Orkest, and the BBC Symphony in London.

Mr. Lateiner has made a number of records for RCA and was awarded a Grammy Award for chamber music.

With the return of subscription tickets, a limited number of seats (\$5.00 Adults - \$2.50 Students) will be available to the general public for his popular concert. The Drake Theater box office will be open after 2:00 p.m. the day of the concert, Friday, December 15. Subscribers unable to use their tickets are urged to call the Lake Forest Symphony office (295-2135).

A good selection of seats remains for the Sunday, March 11, 1973, Lake Forest Symphony performance of Puccini's "Madame Butterfly." These seats can be purchased through the Drake Theater (see above) or through the Community Music Association, Box 748, Lake Forest, Illinois 60045.

WRESTLING GLORY

The Sequoit wrestling team is still wrestling their way to glory as they topped Warren on December 1, and Dundee on December 2nd.

Warren fell to the Sequoits as they gained 38 points to their 20 points. John Roberts again gave an outstanding performance as he pinned his opponent in 1:14 flat. Last year Roberts had a 19-2 record at 98 pounds and placed second at 105½ pounds in the United States Wrestling Tournament. This year he already holds a 3-0 record with three pins to his credit.

Keith Larsen was looking good as he pinned his opponent in 1:16 in the first period. In the second period Sequoits Steve Shaffer and John Thain pinned their opponents in 3:56 and 3:05 respectively. Bill Armstrong came through for the Sequoits adding six points to their score

as he pinned his opponent in the third period in 4:54 seconds.

Saturday night was also a good night for the wrestling Sequoits as they toppled Dundee 33 to 21. John Roberts pinned his opponent in the first period in a startling 44 seconds. Roberts was to set a precedent that night as the next four Sequoits followed suit. Pinning their opponents were: Dirk Dietz, Kieth Larsen, Dennis Dyer and Steve Shaffer.

Looking over the wrestling Sequoits last two victories Coach DeRousse said, "Where we looked good we looked exceptional". He also said, "The juniors are having trouble adjusting to Varsity competition, but they will be there by the end of the year."

The Sequoits will take on Grant in their Gym on this coming Friday night.

SOPH MATMEN TOP WARREN

The Antioch Sophomore Wrestling team opened defense of their N.W.S.C. crown with a rousing 50-6 thrashing of the Warren Blue Devils at Gurnee on Friday evening. The Sequoits won 10 of 12 matches, and were credited with a total of 6 pins in the match. Stand-outs for the Sequoits included Glen Bednar who wrestled his first match of the year and did an exceptional job by pinning Joe Ventura in 4:38. Brian Parpan also won a strong 13-2 victory over his 98 pound opponent.

On Saturday afternoon, the Sequoits traveled to North Suburban rival Dundee High School, and came home with a 48-9 victory. After dropping a tough 10-9 decision at the 98 pound class, the next five Antioch wrestlers BLITZED Dundee with first period falls. The fastest pin was scored by Bill Hogan in 23 seconds.

The Sequoits wrestle at home this Friday, December 8, 1972 in a N.W.S.C. meet with Grant High School beginning at 6:45 p.m.

98 Parpan win 13-2
105 Thain pinned 1:08
112 Shaffer lost 9-7
119 Kisner won 17-6
126 Hogan pinned 3:27
132 Riedlinger pinned 1:47
138 Olson lost 6-2
145 Jones won 11-10
Bednar pinned 4:38
167 Morgan pinned 3:40
185 Eastman won 7-2
HWT Meyer pinned 3:40

Final Team Score Antioch 50 - Warren 6

Parpan lost 10-9
105 Thain pinned 1:38
112 Shaffer, pinned 1:27
119 Kisner pinned 1:28
126 Hogan pinned :23
132 Riedlinger pinned 1:46
138 Olsen won 5-1
145 January won 5-0
155 won 4-3
167 Morgan won 3-2
185 Eastman won 5-0
HWT Meyer lost by pin 4:23

Final Team Score Antioch 48, Dundee 9

SESSION ON MECHANICS TRAINING SMOG DEVICES

To familiarize indepent garage and service station mechanics with recent developments in automobile smog control devices, two three-hour training sessions will be held at 7 p.m. Tuesday and Thursday, December 5 and 7, at the College of Lake County, 19351 West Washington, Street, Grayslake.

Federal legislation will soon require that autos meet rigid emission specifications. Mechanics who service recent production autos must be familiar with emission control systems in order that clean air standards can be maintained.

The training program will present the latest technical information including maintenance, service and testing procedures. Each mechanic will receive an emission control system reference manual. There is no charge for participation or for the manual.

SEQUOITS HEADED TOWARDS NUMBER ONE

The Antioch High School Basketball team has once again dribbled their way to glory as they beat Warren on Friday and Kenosha-Tremper on Saturday. The Sequoits are now undefeated and they hope to remain that way even though they will take on Grant this Friday. Grant has been slated to win the league, so it will be a very important game for the Sequoits.

The Sequoits did a very good job against Warren on Friday night. the game was held in the Antioch gym that was thronged with enthusiastic Sequoit fans. The team managed to keep an almost 20 point lead over Warren and won the game with a score of 76-60.

The Sequoits faced many problems that night however. They had twenty-seven personal fouls hanging over their heads losing Fred Popp with five fouls, and almost losing McGuire, Gutowski, Andrews and Chapman with four fouls. The referring left something to be desired and protesting screams were heard from both sides of the floor.

As usual, Tim Mieuire was the high scorer for the night making 22 points, he was followed by Gutowski with 19 points and McGuire with 18 points. It was by far Gutowski's best game of the season, and he played equally well on Saturday, scoring 14 points.

According to Coach Andrews the Sequoits played their best game against Kenosha-Tremper on Saturday night.

Coach Andrews said, "Saturday night was the best game of the year, we really played super. It was really one of the best games that we have played in years."

The team play on Saturday night left little to be desired. Only six players played and they did an extremely fine job. Mieuire, Andrews, McGuire, Gutowski, Popp and Chapman

were the ones who did the job up right. In the last three seconds of the game the Sequoits were downed with a score of 64 to 61. The Sequoits then proceeded to hold Kenosha scoreless, while they added up ten points and won the game with a score of 71 to 64.

Coach Andrews speculates they were able to pull off that fete for two reasons. "First of all our kids were able to discipline themselves very well. Secondly, we were just in a little better shape than they were," he said.

The defense during the second half of the game was outstanding. It should be noted that Kenosha's front line men were all at least 6' 4" or bigger and the Sequoits tallest man only stands 6' 2". Regardless of the height factor the boys played a really good game. Good luck to them in our up-coming game against Grant on Friday.

GAME SUMMARY

FG FG TP REB

Mieuire	6	10	22	0

Antioch - 16-23-14-18 - 71
Kenosha - 17-22-10-15 - 64

The Antioch Sequoits played a good game against Warren on Friday night and won with a score of 76-60. They also played a very fine game against Kenosha-Tremper on Saturday. The Sequoits are as yet undefeated. (Staff Photo)

SOPHS REMAIN UNDEFEATED

The Antioch Sophomore Basketball team remained undefeated over the week-end by defeating Warren 48 to 39 and Kenosha Tremper 56 to 45. The sophomore team has now won six games.

In the win over Warren, Russ Albano let the team scoring

with 17 points followed by Dan Duccomun with 13 points.

In the win over Kenosha Tremper on Saturday night, Russ Albano again led the team in scoring with 19 points and Mike Witt played a fine game scoring 18 points.

In both games the wins were

due to a great team effort. Mike Perrone was injured in the game against Warren as he cracked a bone in his ankle and is now wearing a cast.

IRA LOOKS TO NEW AND DIFFERENT YEAR

Continued from Page 19 Sportsman award of the year from Jim Kronkven, Sports Editor of the Kenosha News.

Jim Cmelak, Wilnot champion for 1972, received the Sportsman Award in this group. Paul Cameron, Round Lake received the "Most Improved Driver Award" for modified stock car drivers from John Michelson, Sports Editor of the Lakeland Newspapers and Lou Snyder of Arlington Heights received the similar award for the Sportsman.

In 1972, more than 88 drivers earned points on the IRA tracks which included races at Wilnot, Lake Geneva and Waukegan. Special races in which IRA cars participated included dates at Raceway Park in Blue Island, the Capital Speedway and the Grundy County Speedway.

The group has already voted to leave rules as they were in 1972 for the 1973 season. At the next meeting, to be held at the VFW Hall in Lake Villa, Illinois, a further report of tracks and dates will be made as well as a plan to alter the functional

organization of the activities of the club.

In 1973, an IRA Fan Club will be organized with regular meeting scheduled. Proposed activities will be the jacket presentations and events honoring past and present drivers. Those interested in becoming members should contact Mrs. Pat Davidson, 830 Cambridge, Mundelein, Ill 60067.

"Maybe vaudeville is dead but there are some priceless comedy acts going begging here."
